The Time Table For Ethiopian Entrance Exam In 2015:

Higher Education in Ethiopia Tebeje Molla, 2018-01-18 This book focuses on higher education in Ethiopia analysing persisting inequalities and policy responses against the backdrop of the extensive expansion and reform that the system has experienced in recent years Drawing on empirical data generated through interviews policy reviews and focus group discussions it explicates factors of structural inequality ranging from neoliberal policy orientations to repressive gender culture and geo political peripherality In a departure from conventional studies that consider policy a response to social problems the book takes a critical perspective to show the constitutive role of policy and explains how the representation of the problem of social inequality undermines equity policy outcomes in Ethiopian higher education Not only does the book problematise the framing of the problem of inequality in the system it also outlines strategies for designing transformative equity instruments In explaining structural factors of inequality and equity provisions the book productively combines sociological concepts with historical accounts and political economy insights Given the increased economic optimism associated with higher education in sub Saharan Africa and the neoliberal ideals underpinning much of the restructuring of the system in the region this is a timely and important contribution that sheds light on the social justice implications and consequences of such changes It offers fresh accounts of largely neglected qualitative cases of inequality making it a valuable read for students and researchers in the areas of Ethiopian education policy studies international and comparative education and international development

The Palgrave Handbook of Race and Ethnic Inequalities in Education

Peter A.J. Stevens, A. Gary Dworkin, 2019-07-05 This authoritative state of the art reference work builds on its first edition to provide a cutting edge systematic review of the relationship between race ethnicity and educational inequality Studying 25 different national contexts drawn from every inhabited continent on earth and building upon material from the earlier edition the work analyses educational policies practices and research on minority students immigrants and refugees The editors and contributors explore principal research traditions from countries as diverse as Argentina China Norway and South Africa examining the factors promoting social cohesion as well as considerations regarding the use of international test score data Seamlessly integrating findings of national reviews the editors and contributors analyse how national contexts of race ethnic relations shape the character and content of educational inequalities and deftly map out new directions for future research in the area Global in its perspective and definitive in content this one stop volume will be an indispensable reference resource for a wide range of academics students and researchers in the fields of education sociology race and ethnicity studies and social policy Chapter 20 of this book is available open access under a CC BY 4.0 license at SpringerLink https://link.springer.com/chapter/10.1007/978-3-319-94724-2_20
