culture to each other in the continuous language exchange Since ancient times art and culture have been going hand in hand and complementing each other On the one hand art is an important connotation and component of culture and the progress of art is the driving force of cultural development On the other hand culture is the source and content of art and the prosperity of culture is the key to improve the level of art On the other hand culture is the source and content of art and the prosperity of culture is the key to improving the level of art Therefore whether it is culture or art it is not only a symbol of an era a representation of people's life style but also a guide to the direction of social development The relationship between language art and cultural communication is a hot topic for many scholars to study at present Therefore an academic conference is set up for authors to discuss related research issues and exchange new ideas hoping that scholars can burst out more excellent and valuable ideas in this conference ICLACE 2023 is to bring together innovative academics and industrial experts in the field of Literature Art and Cultural Exchange research to a common forum The primary goal of the conference is to provide a platform for scientists scholars and engineers from all over the world to present ongoing research activities fostering the research and business relations and promoting scientific information interchange and cooperation between all the participants
