The Two Seeds Fred A. Wilson, 2010-09-23 The Book of Revelation chapter 12 narrates a phenomenon that most readers will find incredible Given a view of a period of time in Heaven Apostle John saw and reported Then war broke out in Heaven Michael and his angels went forth to battle with the dragon and the dragon and his angels

fought He actually saw Archangel Michael and His army of Angels in all out war against a dragon and the Dragon and his Angels fought back However the Dragon and his Angels did not prevail they were defeated and violently cast out of and down from Heaven And the huge dragon was cast down and out that ancient serpent who is called the Devil and Satan he who is the seducer deceiver of all Humanity the World over he was forced out and down to the Earth and his angels were flung out along with him Further the Warriors who vanquished this huge dragon called the Devil and Satan And they have overcome conquered him by means of the blood of the Lamb and by the utterance of their testimony for they did not love and cling to life even when faced with death holding their lives cheap till they had to die for their witnessing This was a War in which the armaments were the blood of the Lamb and by the utterance of their testimony This was a War of Words This War would continue on Earth After the Fall of Man the War on Earth between the Two Seeds would be a War of the Spirit Beings fought through Human Beings and other living things to the detriment of those who make the wrong choices during the battles to Save the World of Man How did it begin and how will it end This is one question every Believer is literally dying to know So did Prophet Daniel 12v8 And I heard but I did not understand Then I said O my lord what shall be the issue and final end of these things The issue and final end of these things become evident as we trawl through Holy Scriptures and the histories of Man as has been attempted in the 800 pages of this book Agriculture Handbook ,1949 Set includes revised editions of some issues
