American Book Publishing Record ,2007 Country Life ,2004 **The British National Bibliography** Arthur James Wells,2005 *The Soul of Discretion* Susan Hill,2014 The eighth Simon Serrailier case Not all great novelists can write crime fiction but when one like Susan Hill does the result is stunning Ruth Rendell The cathedral town of Lafferton seems idyllic but in many ways it is just like any other place As part of the same rapidly changing world it shares the same hopes and fears and the same kinds of crime as any number of towns up and down the land When one day DC Simon Serrailier is called in by Lafferton e tm s new Chief Constable Kieron Bright he is met by four plainclothes officers He is asked to take the lead role in a complex potentially dangerous undercover operation and must leave town immediately without telling anyone e not even his girlfriend Rachel who has only just moved in with him Meanwhile Simon e tm s sister Cat is facing difficult choices at work that will test her dedication to the NHS But an urgent call about her and Simon e tm s father Richard soon presents her with a far greater challenge much closer to home To complete his special op Simon must inhabit the mind of the worst kind of criminal As the op unfolds Lafferton is dragged into the sort of case every town dreads And Simon faces the fight of his life *The Risk of Darkness* Susan Hill,2010-05-07 Simon Serrailier s story began in *The Various Haunts of Men* about a serial killer and continued with *The Pure in Heart* about a kidnapped schoolboy Susan Hill is not afraid to tackle difficult issues nor to face up to the realities of stress in an ordinary English police station Her third crime novel *The Risk of Darkness* even more compulsive and convincing follows up the child abduction and explores the crazy grief of a widowed husband a derangement which turns to obsession and threats violence and terror Meanwhile handsome introverted Simon Serrailier whose cool reserve has broken the hearts of several women finds his own heart troubled by the newest recruit to the Cathedral staff a feisty female Anglican priest with red hair *The Risk of Darkness* is packed with action and adventure Like *Various Haunts* it hinges on a terrific twist which comes as a complete surprise to the reader and like *The Pure in Heart* it deals in depth with complex daily problems The Publishers Weekly ,2007 **The Literary Review** ,2004 **Library Journal** Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,2007 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately The Writers Directory ,2013

The Pure in Heart Susan Hill,2005 *The Pure in Heart* continues the story of Simon Serrailier the Detective Chief Inspector to whom readers were introduced in *THE VARIOUS HAUNTS OF MEN* In the opening pages Simon is on a painting holiday in Venice trying to come to terms with the brutal murder of a young woman who had been in love with him But soon a telephone call summons him home He has family problems to face and the stress and daily grind of running a busy police station In Lafferton an English cathedral town Susan Hill has brilliantly created an ordinary community with detail so sharp and true to life readers feel that these people are their own neighbours and friends And that terror and evil are in their very midst A little boy is snatched as he stands with his satchel at the gate of his home waiting for his lift to school A severely

handicapped young woman hovers between life and death An ex con finds it impossible to go straight THE PURE IN HEART is neither a thriller nor a whodunnit but a crime novel arising out of character and circumstances Its the psychology of crime that absorbs me says Susan Hill At the centre of THE PURE IN HEART is horror Will the police ever solve this dark mystery Here is a magnificent novel which grips convinces and entertains *The Vows of Silence* Susan Hill,2010-05-07 Gunmen are terrorising young women in the Cathedral town of Lafferton What if anything links the apparently random murders Is the marksman with a rifle the same person as the killer with a handgun Detective Chief Superintendent Simon Serrailer falls back on well tried police methods such as questioning neighbours and house to house searches He tries to stay on step ahead of the killer to prevent each new outrage And he tries to think himself into the gunman s head Meanwhile his sister Cat has returned with her family from Australia and Simon is once again sucked into family life at her welcoming farmhouse But tragedy strikes and the warmth and security of home are cruelly tested Vows of Silence is a sequel to The Various Haunts of Men The Pure in Heart and The Risk of Darkness *A Question of Identity* Susan Hill,2013-01-08 Lafferton is struggling through a bitter winter with heavy snowfalls paralysing the town though at least the police can be sure the ram raiders who have been targeting antique and jewellers shops will be lying low The biggest worry the elderly have is how to keep warm until 82 year old Doris Upcott is found strangled in her home followed by the deaths of 2 other residents of the same sheltered housing complex Each time the murderer has left a unique signature at the crime scene which should help DCS Simon Serrailer desperate to identify him before he kills again When links are found between these and 3 similar murders elsewhere Serrailer is obliged to cross unfamiliar territory in his search for answers
