

MR AND MRS VARNEY

our vows

24.04.21 | SUTTON FOREST

"Samantha Jade Trudgett, I promise to care for you and protect you, nurture you and support you, and to lift you up when you're feeling down.

I love your laugh, your smile and how when something is too cute, you just have to squeeze it.

You are my best friend, my better half, my confidant and my partner in crime, and I wouldn't have it any other way. I promise to respect you, cherish you and to help you navigate through life adventures, even if I don't have a map. I promise to always cringe when you start a sentence with 'hey babe', because I know you're about to tell me a terrible pun. There's nothing meowgical about those cat-astrophes. I promise to laugh with you, cry with you and grow old with you, but most importantly I promise that no matter what I'll always love you. I'm so proud that today I get to stand here and call you my wife. I love you Samantha."

William

"William Edward Varney, I promise to love you with my whole heart for the rest of our lives. I knew from the moment I laid eyes on you that it was the start of my greatest adventure and today I make these vows as we start the next chapter of our lives together. I promise to be your person always, to find food with you when you're hungry and never start the day before finding you coffee.

I promise to always encourage your dreams and passions (all of them) and to challenge you every single day. I promise to support you through life's ups, downs and Lupus flairs and to be your ultimate cheerleader always. I promise to be your calm when you're anxious, your sounding board when you need to be heard and your partner in life and love. Most of all I promise to love you in your entirety, without question and through the best and worst times of our lives. You are my present, my future and my forever."

The Vow Script Screenplay:

Screenwriting for Neurotics Scott Winfield Sublett, 2014-10-01 *Screenwriting for Neurotics* is a quirky and accessible handbook for beginning screenwriters. Whether you are a student in a screenwriting class or just someone who wants to try their hand at writing for film or television, this handy guidebook makes the entire process simple and un intimidating. Scott Winfield Sublett, a veteran screenwriter and screenwriting teacher, walks you step by step from start to finish and helps you navigate potential and unforeseen difficulties along the way, offering handy tips and suggestions to keep you from becoming blocked or stalled. Rather than throwing you into the writing process headfirst, Sublett guides you through the various decisions you need to make about plot, character, structure, conflict, in the order you need to make them. He explains in straightforward terms the terminology and jargon, the theory and industry standards, and dispels common myths about screenwriting that can discourage or hold back a beginning writer. Balancing theory and practice and offering valuable and insightful examples from recognizable and well known classic and contemporary films ranging from *Casablanca* to *A Christmas Story* to *Clerks*, Sublett provides the new writer with the necessary tools to successfully write a feature length screenplay and offers a roadmap of where to go next. With an emphasis on helping a writer not just to begin but also to finish a script, *Screenwriting for Neurotics* is the screenwriting book to help you actually write one. **Filmmaking For Dummies**
