Rice Burroughs, Summit Classic Press Editors, 2012-03-12 This collector quality edition includes the complete text of the first three novels of Edgar Rice Burroughs' Barsoom series: A Princess of Mars, The Gods of Mars, and Warlord of Mars in freshly edited and newly typeset editions. With an oversize 7 44x9 69 page size, this Summit Classic edition is printed on hefty 60 bright white paper with a fully laminated cover featuring an original full color design. Barsoom is the native name for the Mars imagined by Edgar Rice Burroughs: a dying world whose oceans have gone dry and whose atmosphere is dissipating precariously maintained by a massive atmosphere plant; a world where a race of giant green men with four arms roam dry seabeds and vast ancient ruins mounted on reptilian steeds while a race of coppery skinned red men maintains an oddly barbaric culture and scientific civilization in sprawling cities and travel in flying cars. If any of this sounds vaguely familiar but you've never read what has over the years become known as Edgar Rice Burroughs' science fiction Martian series, it's not surprising Burroughs didn't invent planetary romance, lost civilizations, islands populated by dinosaurs and primitive men, or any of the kinds of fiction he wrote. But he literally re-invented adventure fiction across the board and his indelible stamp on the work of writers, filmmakers, television producers, and scientists is still apparent a hundred years after his first published story. Burroughs is known the world over as the creator of Tarzan, the Ape Man. Tarzan became a cultural phenomenon almost immediately upon his appearance, but before Tarzan there was John Carter of Mars. Burroughs' first published work originally appeared in serial form with the title *Under the Moons of Mars* in 1912. Like many of Burroughs' pulp magazine serials, the story was later published in book form by Chicago publisher A. C. McClurg. The original McClurg version re-titled the story as *A Princess of Mars*, the name by which it has been known ever since. There would ultimately be eleven Martian Novels with the cast of characters changing as the series progressed. The first three stories form a cohesive trilogy: the romance between John Carter mysteriously transported to Mars from the Arizona desert and Dejah Thoris, the Princess of Mars, for whom the first novel is named. These three tales are presented in this volume. In Edgar Rice Burroughs' trademark style, John Carter is thrown into a series of non-stop adventures at breakneck pace with the earthling pitted against a variety of Martian men and beasts, finding adversaries on seemingly every page and finding a few friends and the love of his life in the course of this epic adventure that will ultimately leave him astride a fantastic planet. Additional material collected and presented for Burroughs fans new or old are a biographical sketch of the author and a detailed bibliography of his work. **John Carter of Mars**

Edgar Rice Burroughs, 2018-11-03 *John Carter of Mars* Edgar Rice Burroughs Here is the eleventh and final book in Edgar Rice Burroughs' best-selling Martian Series. John Carter is pitted against the infamous Pew Mogel who has kidnapped his beloved wife Dejah Thoris. The famous Warlord of Barsoom is lured to a deserted city on the shores of the dead sea of Korvas. But instead of his wife, he finds a huge synthetic giant and hordes of great white apes, into each of which the brain of a man has been grafted. It takes all the skill of Carter's famous fighting arm and extraordinary agility to preserve his life and, meanwhile, the sands of time are running out for Dejah Thoris. *Warlord of Mars* Edgar Rice Burroughs, 2020-07-03 We are
