The Way You Love Me C.E. Knight, 2024-12-15 The Way that You Love me is a story about two people whose lives are set on a collision course for destiny The story begins with a carjacking which is the introduction into the story as the two main characters are thrown into the action The woman character is new to town having run away from two bad situations a cheating fiancé and an abusive mother who made her home life unbearable She is broke weary and homeless by the time she gets to town She was hopeful of a new beginning but no sooner had she got into town things start to unravel and her life is met with tragedy The main male character comes from wealthy roots He never knew the pain of struggle but he contemplates the void in his life that seems to be steadily growing Although he is a heartthrob the emptiness he feels seems to grow to the point where none of his successes bring him much joy The moment he meets the victim in the hospital he feels a spark a pull as his curiosity grows The diversity of the two lives becomes evident as well as exhibiting the turmoil which is a product of jealousy abuse and hidden secrets The impromptu friendship that develops between the main female character and three women is so much different from the one she shares with her biological sisters The other aspect of this story is the great talent that is showcased by the two main characters The effort of the female character to avoid her feelings for the main male character introduces her to a person who is deeply involved with the criminal world The abuse she suffers at the hands of this man becomes the norm until things take a turn for the worst Her only way out of this very bad choice is almost by death
