The Winter S Tale A Broadview Internet Shakespeare Edition

William Shakespeare

The Winter's Tale A Broadview Internet Shakespeare Edition:

The Winter's Tale William Shakespeare, 2014-12-04 Neither comedy nor tragedy The Winter's Tale contains elements of each genre and defies easy classification It experiments like many of Shakespeare's late plays with different styles and tones and draws on a wide range of sources and inspirations Full of mysteries and miracles grief and dark humour this strange play has fascinated critics and theatregoers for centuries Theatrical and cinematic productions have tried to capture the range of interpretations and staging possibilities presented by The Winter's Tale and the introduction to this edition explores the play's long histories in performance and in criticism Illustrations and extended notes interleaved throughout the text discuss the echoes of religious scientific and mythological texts found in the play [Rethinking Shakespeare Source Study](#) Dennis Austin Britton, Melissa Walter, 2018-03-28 This book asks new questions about how and why Shakespeare engages with source material and about what should be counted as sources in Shakespeare studies The essays demonstrate that source study remains an indispensable mode of inquiry for understanding Shakespeare his authorship and audiences and early modern gender racial and class relations as well as for considering how new technologies have and will continue to redefine our understanding of the materials Shakespeare used to compose his plays Although source study has been used in the past to construct a conservative view of Shakespeare and his genius the volume argues that a rethought Shakespearean source study provides opportunities to examine models and practices of cultural exchange and memory and to value specific cultures and difference Informed by contemporary approaches to literature and culture the essays revise conceptions of sources and intertextuality to include terms like haunting sustainability microscopic sources contamination fragmentary circulation and cultural conservation They maintain an awareness of the heterogeneity of cultures along lines of class religious affiliation and race seeking to enhance the opportunity to register diverse ideas and frameworks imported from foreign material and distant sources The volume not only examines print culture but also material culture theatrical paradigms generic assumptions and oral narratives It considers how digital technologies alter how we find sources and see connections among texts This book asserts that how critics assess and acknowledge Shakespeare's sources remains interpretively and politically significant source study and its legacy continues to shape the image of Shakespeare and his authorship The collection will be valuable to those interested in the relationships between Shakespeare's work and other texts those seeking to understand how the legacy of source study has shaped Shakespeare as a cultural phenomenon and those studying source study early modern authorship implications of digital tools in early modern studies and early modern literary culture **Embodied Cognition and Shakespeare's Theatre** Laurie Johnson, John Sutton, Evelyn Tribble, 2014-03-26 This collection considers issues that have emerged in Early Modern Studies in the past fifteen years relating to understandings of mind and body in Shakespeare's world Informed by *The Body in Parts* the essays in this book respond also to the notion of an early modern body mind in which Shakespeare and his contemporaries are understood in terms of bodily parts and cognitive processes What might the

impact of such understandings be on our picture of Shakespeare's theatre or on our histories of the early modern period broadly speaking This book provides a wide range of approaches to this challenge covering histories of cognition studies of early modern stage practices textual studies and historical phenomenology as well as new cultural histories by some of the key proponents of this approach at the present time Because of the breadth of material covered full weight is given to issues that are hotly debated at the present time within Shakespeare Studies presentist scholarship is presented alongside more historically focused studies for example and phenomenological studies of material culture are included along with close readings of texts What the contributors have in common is a refusal to read the work of Shakespeare and his contemporaries either psychologically or materially instead these essays address a willingness to study early modern phenomena like the Elizabethan stage as manifesting an early modern belief in the embodiment of cognition

2015 U.S. Higher Education Faculty Awards, Vol. 1 Faculty Awards, 2022-09-01 Created by professors for professors the Faculty Awards compendium is the first and only university awards program in the United States based on faculty peer evaluations The Faculty Awards series recognizes and rewards outstanding faculty members at colleges and universities across the United States Voting was not open to students or the public at large

As You Like It William Shakespeare, 2012-07-13 Both a witty satire of literary cliché and a tender meditation on the varieties of love *As You Like It* continues to be one of Shakespeare's most beloved and widely performed comedies In the introduction to this new edition David Bevington traces the complex relationships between the characters in the play and explores the history of its criticism from Samuel Johnson to the twenty first century As part of the newly launched Broadview Press Internet Shakespeare Editions series this edition features a variety of interleaved materials from facsimile pages diagrams and musical scores to illustrations and extended discussions of myth and folklore that provide a context for the social and cultural allusions in the play Appendices offer excerpts from Shakespeare's key sources and influences including Thomas Lodge's *Rosalind* and Ben Jonson's *Every Man in His Humor* A collaboration between Broadview Press and the Internet Shakespeare Editions project at the University of Victoria the editions developed for this series have been comprehensively annotated and draw on the authoritative texts newly edited for the ISE This innovative series allows readers to access extensive and reliable online resources linked to the print edition

The Winter's Tale William Shakespeare, 2014-12-04 Neither comedy nor tragedy *The Winter's Tale* contains elements of each genre and defies easy classification It experiments like many of Shakespeare's late plays with different styles and tones and draws on a wide range of sources and inspirations Full of mysteries and miracles grief and dark humour this strange play has fascinated critics and theatregoers for centuries Theatrical and cinematic productions have tried to capture the range of interpretations and staging possibilities presented by *The Winter's Tale* and the introduction to this edition explores the play's long histories in performance and in criticism Illustrations and extended notes interleaved throughout the text discuss the echoes of religious scientific and mythological texts found in the play

Henry IV - Part One William

Shakespeare,2013-09-09 Henry IV Part One has been one of Shakespeare's most popular plays since it was first produced and was reprinted several times during the playwright's lifetime The play encompasses the tragic pathos of Hotspur's death the thrill of Hal's battlefield valor the intrigue of power politics and the broad humor of tavern scenes It has been performed as a play that celebrates England and engenders national pride but also as a play that thumbs its nose at patriotism and notions of empire This Broadview Edition provides a discussion of the play's performance history and both the introduction and footnotes encourage readers to think about the play as a performance text The appendices gather a selection of historical sources and contemporary philosophical and political writings from England and Europe and interleaved pages throughout the play provide illustrations and extended discussion of key phrases plot points and allusions Further historical and performance materials are available on the Internet Shakespeare Editions website *Twelfth Night - ISE - Ed. Carnegie & Houlihan* William Shakespeare,2014-06-06 Twelfth Night has seldom been off the stage since Shakespeare's day It has been performed for its romantic high comedy and its boisterous low comedy with an emphasis on farce or on autumnal melancholy as straightforward celebration of heterosexual love and marriage or as exploration of the complexity of gender David Carnegie and Mark Houlihan's introduction to the play provides a lively discussion of the play's performance history and encourages readers to think about stagecraft and the play as a performance text while the historical appendices provide materials that illuminate different thematic elements of the play Extended notes interleaved throughout the play present relevant illustrations and expand on mythological historical and religious references in the play The accompanying online text will offer additional commentary on staging alternatives and more extensive visual materials A collaboration between Broadview Press and the Internet Shakespeare Editions project at the University of Victoria the editions developed for this series have been comprehensively annotated and draw on the authoritative texts newly edited for the ISE This innovative series allows readers to access extensive and reliable online resources linked to the print edition *Othello* William Shakespeare,2017-10-04 Although other Shakespeare plays offer higher body counts more gore and more plentiful scenes of heartbreak Othello packs an unusually powerful affective punch stunning us with its depiction of the swiftness and thoroughness with which love can be converted to hatred and forcing us to confront our complicity with social and political institutions that can put all of us but especially the most vulnerable among us at risk This edition features a variety of interleaved materials from maps and manuscripts to illustrations and extended discussions of myth and politics that provide a context for the social and cultural allusions in the play Appendices offer excerpts from Shakespeare's key sources and historical materials on marriage jealousy and the treatment of people of African descent in Renaissance England A collaboration between Broadview Press and the Internet Shakespeare Editions project at the University of Victoria the editions developed for this series have been comprehensively annotated and draw on the authoritative texts newly edited for the ISE This innovative series allows readers to access extensive and reliable online resources linked to the print edition

Julius Caesar William Shakespeare, 2012-10-26 Julius Caesar is a key link between Shakespeare's histories and his tragedies Unlike the Caesar drawn by Plutarch in a source text Shakespeare's Caesar is surprisingly modern vulnerable and imperfect a powerful man who does not always know himself The open ended structure of the play insists that revealing events will continue after the play ends making the significance of the history we have just witnessed impossible to determine in the play itself John D Cox's introduction discusses issues of genre characterization and rhetoric while also providing a detailed history of criticism of the play Appendices provide excerpts from important related works by Lucretius Plutarch and Montaigne A collaboration between Broadview Press and the Internet Shakespeare Editions project at the University of Victoria the editions developed for this series have been comprehensively annotated and draw on the authoritative texts newly edited for the ISE This innovative series allows readers to access extensive and reliable online resources linked to the print edition

Reimagining Shakespeare Education Liam E. Semler, Claire Hansen, Jacqueline Manuel, 2023-02-23

Shakespeare education is being reimagined around the world This book delves into the important role of collaborative projects in this extraordinary transformation Over twenty innovative Shakespeare partnerships from the UK US Australia New Zealand the Middle East Europe and South America are critically explored by their leaders and participants Structured into thematic sections covering engagement with schools universities the public the digital and performance the chapters offer vivid insights into what it means to teach learn and experience Shakespeare in collaboration with others Diversity equality identity incarceration disability community and culture are key factors in these initiatives which together reveal how complex and humane Shakespeare education can be Whether you are interested in practice or theory this collection showcases an abundance of rich inspiring and informative perspectives on Shakespeare education in our contemporary world

King Lear William Shakespeare, 2023-05-23 King Lear is a play for our times The central characters experience intense suffering in a hostile and unpredictable world They face domestic cruelty political defeat and a stormy external environment that invades them to the skin They constantly question the meaning of their experiences as we watch their emotions range from despair to rage to unexpected tenderness and desperate hope as they are rejected even tortured Lear's daughters as in a fairy tale are three strong women The eldest two vie for sexual and political power while the youngest Cordelia is initially banished because of her plain speaking but then returns in a doomed attempt to restore her father to his throne King Lear has an unusual performance history It was significantly revised by Shakespeare or others between its first two publications and was then succeeded by an adaptation that softened the ending so that Lear and Cordelia survived In our own times King Lear is performed around the world in productions that explore its relevance to contemporary political and environmental challenges This edition offers a distinctive extended text taking the later Folio as a starting point and adding the lines that appear only in the Quarto distinguished by a light gray background Variations in individual words that are of critical interest are recorded in the margin

The Winter's Tale Illustrated Edition William Shakespeare, 2021-10-06 The Winter's Tale is a

play by William Shakespeare originally published in the First Folio of 1623 Although it was grouped among the comedies many modern editors have relabelled the play as one of Shakespeare s late romances *The Winter's Tale by William Shakespeare Illustrated Edition* William Shakespeare,2021-06-02 The Winter s Tale is a play by William Shakespeare originally published in the First Folio of 1623 Although it was grouped among the comedies many modern editors have relabelled the play as one of Shakespeare s late romances *The Winter's Tale by William Shakespeare - Delphi Classics (Illustrated)* William Shakespeare,2017-07-17 This eBook features the unabridged text of The Winter s Tale from the bestselling edition of The Complete Works of William Shakespeare Having established their name as the leading publisher of classic literature and art Delphi Classics produce publications that are individually crafted with superior formatting while introducing many rare texts for the first time in digital print The Delphi Classics edition of Shakespeare includes original annotations and illustrations relating to the life and works of the author as well as individual tables of contents allowing you to navigate eBooks quickly and easily eBook features The complete unabridged text of The Winter s Tale Beautifully illustrated with images related to Shakespeare s works Individual contents table allowing easy navigation around the eBook Excellent formatting of the text Please visit www.delphiclassics.com to learn more about our wide range of titles *The Winter's Tale William Shakespeare the New Annotated Literary Edition* William Shakespeare,2020-04-21 The Winter s Tale is one of Shakespeare s most varied theatrically self conscious and emotionally wide ranging plays Much of the play s copiousness inheres in its generic intermingling of tragedy comedy romance pastoral and the history play In addition to dates and sources the introduction attends to iterative patterns the nature and cause of Leontes jealousy the staging and meaning of the bear episode and the thematic and structural implications of the figure of Time *The Winter's Tale By William Shakespeare New Annotated Version* William Shakespeare,2020-07-29 The Winter s Tale is a play by William Shakespeare originally published in the First Folio of 1623 Although it was grouped among the comedies many modern editors have relabelled the play as one of Shakespeare s late romances *The Winter's Tale by William Shakespeare an Annotated Literary Edition* William Shakespeare,2020-05 The New Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features textual notes on the plays and poems and an extensive introduction The Winter s Tale is one of Shakespeare s most varied theatrically self conscious and emotionally wide ranging plays Much of the play s copiousness inheres in its generic intermingling of tragedy comedy romance pastoral and the history play In addition to dates and sources the introduction attends to iterative patterns the nature and cause of Leontes jealousy the staging and meaning of the bear episode and the thematic and structural implications of the figure of Time Special attention is paid to the ending and its tempered happiness Performance history is integrated throughout the introduction and commentary *The Winter's Tale Illustrated (Classic Edition)* William Shakespeare,2022-02-20 The Winter s Tale is a play by William Shakespeare first published in the First Folio in 1623 Although it was listed as a comedy when it first appeared

some modern editors have relabeled the play a romance Some critics among them W W Lawrence Lawrence 9 13 consider it to be one of Shakespeare s problem plays because the first three acts are filled with intense psychological drama while the last two acts are comedic and supply a happy ending The Winter's Tale William Shakespeare,2021-10-10 The Winter s Tale is a play by William Shakespeare first published in the First Folio in 1623 Although it was listed as a comedy when it first appeared some modern editors have relabeled the play a romance Some critics among them W W Lawrence Lawrence 9 13 consider it to be one of Shakespeare s problem plays because the first three acts are filled with intense psychological drama while the last two acts are comedic and supply a happy ending
