The Wisdom Of Wimber As I See It:

The Wisdom of Wimber Marty Boller, 2014-10-19 At a church leadership conference in July 1991 Vineyard Christian Fellowship founder John Wimber taught on ten concepts he called the genetic code for churches looking to become God worshiping Jesus centered and Spirit directed communities set apart for kingdom purposes In this book author Marty Boller takes these ten concepts and discusses in his own commentary the implications of them for the twenty first century

A Handbook of Contemporary Theology David L. Smith, 2001-02-01 This introduction to contemporary theology looks at the origin and history of each movement their major figures and doctrinal emphases The author evaluates the teachings and practices of each system in light of biblical Christianity

The Intimidation Factor Charles Redfern, 2020-08-05 What do we do when a formerly vibrant back to the Bible movement drifts into a toxic swamp rimmed with attack dogs Charles Redfern faces that grim question squarely He discovers that American evangelical Christianity which surged in the mid twentieth century and offered a more genteel intellectually vigorous alternative to caustic fundamentalism fell into the hands of intimidators and backbiters It was a short journey from there to the movement s partisan sell out and the abandonment of time honored creeds Redfern describes his own story in which he came into the faith at the movement s height in the 1970s then views evangelicalism s decay across its spectrum He doesn t spare conflict adverse moderates in the process But he also discovers hope A winsome remnant survives and its wooing the back to the Bible people back to the Bible bearing the fruits of the Holy Spirit as they do so

A Dramatic Pentecostal/Charismatic Anti-Theodicy Stephen Torr, 2013-11-08 The response of Pentecostal and Charismatic churches to those suffering in their midst has generally been to seek the intervention of the Holy Spirit to bring about healing and transformation or perhaps education But what happens when the suffering continues it appears to be innocent and meaningless and God seems to be absent This study drawing on Kevin Vanhoozer s dramatic approach to theology argues that the way God calls us to perform as we seek to communicate with him amidst such situations is to lament and to do so with the aid of the Holy Spirit Rather than offering such an approach purely in opposition to the more triumphalistic responses common in Pentecostal Charismatic theology and practice this book seeks to show how a performance of lament is conducive to such theology and practice while acting as a much needed corrective to certain aspects of it What is provided here is therefore relevant reading for both scholars and pastors alike particularly of Pentecostal Charismatic church tradition who grapple with the realities of suffering and the questions such realities produce

Repackaging Christianity Andrew Atherstone, 2022-07-21 The story of Alpha is of major significance for understanding the place of religious faith in the modern world but that story has never been told until now Since its launch in 1993 the Alpha movement has evolved from supper party evangelism in the Kensington suburbs into a global brand of Christian outreach Today over a million people attend Alpha every year but the history of its rise to popularity has never been documented What caused such spiritual renewal in an age of scepticism And what propelled Alpha into a phenomenon that is

recognised across the globe Alpha is far more than an introductory course to Christianity At the core of its brand identity is a repackaging of the Christian message for contemporary audiences Innovation and cultural adaptability are built into Alpha's DNA one of the chief reasons for its longevity and influence Nimble utilising the multimedia and digital revolutions it has contextualised into cultures and languages across the planet And led by charismatic savvy individuals it has attracted people from across the social spectrum making waves in national media Andrew Atherstone leaves no stone unturned as he presents this fascinating history With exclusive access to original archives Atherstone recounts the miraculous stories of HTB's early years the first full account of Nicky Gumbel's conversion and the strategic decisions that launched Alpha onto the global stage of Christian influence With sharp historical analysis Andrew Atherstone uncovers the story of Christian resurgence in our contemporary age

Claiming Your Inheritance Cherrie Kaylor, 2015-10-20 Living Under an Open Heaven How do I hear God's voice As a child of God hearing the Father's voice is your spiritual inheritance The good news is that your Heavenly Father is always talking In fact He has a lot to say about your divine purpose in His Kingdom For over 40 years God has used Cherrie Kaylor in both church and

The Revival Study Bible William (Winkie) Pratney, Tamara S. Winslow, Steve Hill, 2010-08-12 The Revival Study Bible takes a close look at revivals that draw men to God's work in breathing new life into the Church This unique Bible covers rich Christian history spanning over 2 000 years of God's acts that center around revival missions and evangelism It also gives inspiring accounts of supernatural miraculous and prevailing acts of the Lord Emphasizing passion and action and not just data this dynamic Bible gives an international flavor drawn from active tested and fruitful ministries involved in ongoing awakening

Transforming Renewal Andy Lord, 2015-01-12 Pentecostal and charismatic renewal movements have seen great growth over the last century and have engaged with many Christian traditions Yet there are signs that all is not well and there is a need to develop theologies of renewal that engage with practice and across the traditions if the movements are to continue to grow In particular this book seeks an ecumenical engagement between David Watson and Thomas Merton leaders in the charismatic and monastic renewal movements The aim is to reflect on the theological roots of these renewal movements through a study of particular people who lived them in practice and sought to help others understand how the triune God was at work This is done against the wider background of contemporary renewalist theology to develop constructive proposals for renewal theology in the future Receptive ecumenism provides the method for bringing the different voices into conversation in ways that also point forward in approaches to ecumenical dialogue It is thus a study relevant to those seeking new ways in theology those involved in renewal and ecumenical movements students of Thomas Merton and all who seek to better understand the Christian renewal movements that have swept the world

David L. Ream, 2024-01-24 Here is a phenomenological inquiry into the fruitful ministry of Calvary Chapel Costa Mesa's Sunday Morning Worship Service The purpose was to uncover and explicate the quintessential elements of worship leading from the life experiences of those worship leaders who shared the platform with Pastor Chuck Smith known as the father of the Jesus Movement The book examines Calvary Chapel's inauspicious beginnings in a senior citizen trailer park recreation center as it explores key elements of Kay and Chuck Smith's ministry The church and the couple combined in 1965 By 1968 the church and the Smiths became a spiritual home replete with a spiritual mama and papa ministering to hippies seeking everlasting love and eternal peace The fruitfulness of Calvary Chapel's ministry is its ability to reproduce maturing Christians that reproduce maturing Christians This replication occurred thousands of times as the movement blossomed and spread to new churches and new ministries across the United States and globally The phenomenon spawned a megachurch movement and birthed the modern Christian worship music industry The hippies were alternately loathed and loved in their era Perhaps the hippies' most enduring and endearing contributions to twenty-first century culture are traced to the Jesus movement [The New International Dictionary of Pentecostal and Charismatic Movements](#)
