Werewolves, Motorcycles, and Curves Tara Shade, Curvy waitress Anne Marie is about to meet the wildest biker to ever come by her bar Anne Marie knows it s going to be a rowdy night but she didn t expect to get caught up in a feud between two motorcycle riding werewolves Now she s on the run from a vicious biker gang with Fever a mysterious and handsome young wolf with a tragic past and an uncertain future Only one thing is clear to Anne Marie she can t stop thinking about the powerful animalistic Fever And with the way Fever is looking at her digesting her curves with his wolf eyes she s guessing that he feels the same way Excerpt I hope I m not interrupting anything he said smoothly sliding his arms around my waist and pulling me close his long hardening rod pressing against my wet thighs and my boobs slick with water and my nipples already hard pressing against his chest He pulled me close and tight so that even my belly pressed against his strong stomach I wanted this so badly and here here it was Not at all I murmured I stood up on my tip toes and his mouth swooped in capturing my lips It was the greatest kiss of my life the one that still keeps me awake at night Although he was a human now he kissed ravenously like a wolf I felt like my lips were his prey and here he was scavenging my flesh for sustenance devouring my soft pink lips as if he had just hunted them just killed them and now god his teeth and tongue were dividing and conquering only instead of a poor forest deer it was me I was his prey He was devouring me with his kiss and there was nothing I wanted more than to be devoured He kissed down my neck his strong lips sucking and leaving marks I didn t even care I felt in that moment that I was his now and I wanted those marks on me as if proof that I belonged to him that he was my mate the alpha male of my pack Now his lips raked over my collarbone sending shockwaves of delight rippling throughout my body So this is what it felt like to be claimed by a wolf I remember thinking running my fingers over his back savoring the feeling of his hot skin beneath the hot water letting the water run through my fingers as I pressed into his muscles letting soft pleasurable gasps escape from my lips as he touched me and as I touched him I want you I whispered desperately passionately hoping he would feel the need emanating from me I have no idea what s going on but I want you more than I ve wanted anything in my entire life Warning This incredibly hot 10 000 word story of a sexy young motorcycle riding werewolf lusting after a curvy BBW is not for the faint of heart It contains brutal descriptions of MC club fights and fiercely passionate sex between our main characters Reader discretion is advised *Wolf's Claim* Anne Marsh, She s human I m not She s prey I m the predator She s off limits and I m over the line I m not supposed to hunt her I m not supposed to want her but I do She s on the run from the MC making a new life for herself deep in the Louisiana bayou and only a bastard would go after her Did I mention that I m not a nice guy Blade Grant Blade Dean spent years fighting for the Breed motorcycle club He s sworn fealty to the MC s Alpha and pack comes first until he rescues a human female from a territory war He s no white knight and he s tired of the fighting He s found his woman and now he ll do whatever it takes to keep her Blade is fifty shades of wrong and Leah Holmes knows it She knew it when she gave him her virginity four years ago and she knows it when he talks his

way onto her houseboat He s a bad boy biker a killer and a wolf Giving a big bad wolf a second chance is stupid isn t it

Wolf Nicole James,2015-04-26 The Evil Dead Motorcycle Club gave Wolf his nickname They said it was because women stood about as much chance with him as Little Red Riding Hood stood against the Big Bad Wolf And maybe that was true For Wolf when it comes to his club he's all about loyalty He loves his brothers he loves the freedom of the road and he loves his independence When it comes to women Wolf is all about the chase He likes the hunt he likes the challenge and he loves women And for the hot as hell badass biker they've always come too easily But they never fully satisfy him That is until he met Crystal Buried under that hard edged sexy as sin tomboy with the smartass mouth that can put any brother in the MC in his place is a feminine side she only reveals when pushed And Wolf is just the man to push Problem is she's the only woman to ever push back Which only makes him more determined to have her Life in the Evil Dead MC isn't easy and neither is loving one of them It's a life that can leave a man scarred and bloody And sometimes the fallout is far reaching and takes more than a man is willing to give It can be just as risky for any woman brave enough to love one of them The scars of life run deep for both of them Sometimes life doesn't give you a fairytale sometimes you have to make your own And sometimes it takes a spitfire to tame a hell raiser
