**The Wooden Box and Crate** ,1952      **New Masters of the Wooden Box** Oscar P. Fitzgerald,2009-10-01 Features 34 contemporary masters of the wooden box Each artist s profile includes photographs of their work and a short essay focusing on design ideas and objectives Includes jewelry boxes desk boxes reliquaries keepsake boxes and more      **American Wooden Boxes and Crates** William LeRoy Neubrech,1938      **Cool Wooden Box** W. Rand Smith,2023-05-08 This book is a history of guitar making in the US since the folk revival of the 1960s Based largely on the author s interviews it includes chapters on the rise of the modern independent luthier movement recent developments at Martin at Gibson and at Taylor especially regarding the use of technology and ways it is in tension with these companies traditions and ways it honors their traditions the changing though still robust market and the effect of foreign competition on American builders      The Wooden Box Joanne Loveridge,2020 Provided by publisher      **The Barrel and Box** ,1909      *Constructing Wooden Boxes for Cavity-nesting Birds* Howard L. Gary,1980      **Wooden Box and Crate Construction (Classic Reprint)** Forest Products Laboratory,2015-08-06 Excerpt from Wooden Box and Crate Construction The National Association of Box Manufacturers is an organization of the leading manufacturers of wooden boxes of every section of the country Many of its members also make other types or kinds of boxes but the association confines its activities to the interests of the wooden box The association aims to promote all projects of genuine interest to its members to obtain a unity of action in matters affecting the wooden box industry to advertise properly the merits of wooden boxes and to be in fact a constructive influence in the improvement of conditions in the industry and better service for consumers And by the same token the association stands guard against any project or practice which may in any way bring wooden box service into disfavor or disrepute The association believes in the scientific construction of packing boxes It believes that the dissemination of knowledge among box users as well as manufacturers as to what has already been accomplished and what is now being done along the lines of scientific research in box construction is to the mutual advantage of all Such knowledge enlarges the field of usefulness of the wooden box and leads to conservation of material and lowering of costs all of which tends to stabilize the use of wooden boxes and the business of the manufacturer This is the reason for publishing this book The book includes in a general way all the latest and most accurate information available on box and crate design However details applicable to different kinds of boxes for carrying special commodities vary with each commodity hence the application of the fundamental principles discussed in this book must be made by each manufacturer and individual user of such boxes except of course as the principles apply to boxes which have already been standardized as to specifications Standardization of boxes and crates is a recognized aim of the association Many packages have already been standardized and many others are being studied with a view to standardization About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of
