The Taming Of The Shrew Illustrated:

The Taming of the Shrew Illustrated William Shakespeare, 2020-12-16 The Taming of the Shrew is a comedy by William Shakespeare. It was one of his earlier plays, believed to have been written between 1590 and 1594. The play begins with a framing device in which a drunkard is deceived into thinking he is a nobleman who then watches the play itself, which depicts a nobleman Petruchio who marries an outspoken, intelligent and bad-tempered shrew named Katherina. Petruchio manipulates and tames her until she is obedient to his will. The main subplot features the courting of Katherina's more conventional sister Bianca by numerous suitors.

The Taming of the Shrew Illustrated William Shakespeare Shakespeare, 2021-04-22 The Taming of the Shrew is a comedy by William Shakespeare, believed to have been written between 1590 and 1592. The play begins with a framing device often referred to as the induction, in which a mischievous nobleman tricks a drunken tinker named Christopher Sly into believing he is actually a nobleman himself.

The Illustrated Shakespeare, 1709-1875 Stuart Sillars, 2008-12-18 Illustrations have been an important element of many of the most extensively read editions of Shakespeare's plays, from the frontispieces to Nicholas Rowe's 1709 edition to the multiple images placed within the text of Victorian editions. Through symbols, the illustrations have explored language and character by allusion to earlier paintings; they have offered critical readings and, by gesture, setting and costume, they have redesigned the plays within the visual vocabulary of their own times. In all these ways, they offer important exchanges with contemporary social, aesthetic and critical concerns, and despite being largely ignored by scholars, are central to the plays' reception. Highly illustrated, including many images not previously reproduced, the book allows the reader to share the experience of early readers of the plays. Building on the author's earlier work in *Painting Shakespeare*, it offers a fresh address to the tradition of visual criticism and assimilation of Shakespeare's plays.
