The 13th Tribe Robert Liparulo, 2012-04-02 When a group of immortal vigilantes threatens millions only one man is brave enough to stand in their way Their story didn't start this year or even this millennium It began when Moses was on Mt Sinai Tired of waiting on the One True God the twelve tribes of Israel began worshipping a golden calf through pagan revelry Many received immediate death for their idolatry but 40 were handed a far worse punishment endless life on earth with no chance to see the face of God This group of immortals became the 13th Tribe and they've been trying to earn their way into heaven ever since by killing sinners Though their logic is twisted their brilliance is undeniable Their wrath is unstoppable And the technology they possess is beyond anything mere humans have ever seen Jagger Baird knows nothing about the Tribe when he's hired as head of security for an archaeological dig on Mt Sinai The former Army Ranger is still reeling from an accident that claimed the life of his best friend his arm and his faith in God The Tribe is poised to execute their most ambitious attack ever and the lives of millions hang in the balance When Jagger's wife and son are caught in the crossfire he'll stop at nothing to save them But how can one man stand against an entire tribe of immortals Liparulo plunges deep into the pages of Scripture to find intriguing what-ifs and stunning revelations all woven into a tale that is both skin tinglingly supernatural and thought provokingly real Packed with high tech gadgetry action and heart Read this novel Seriously TED DEKKER New York Times best selling author of *Forbidden* and the Circle Series The author of *Comes a Horseman* ushers in an exciting new series with this action packed and intricately plotted spiritual thriller that should appeal to fans of Frank Peretti and Oliver North Library Journal A fantasy thriller with overt but not overly intrusive Christian themes The book can be read as a story of a man's spiritual transition or it can be read as a fast paced thriller with fantasy elements Either way it's a success Booklist Liparulo opens the Immortal Files series with a bang Liparulo has concocted a fast moving imaginative narrative that examines moral questions every reader is in for roller

So Say We All Richard Hatch,2006-09-10 The science fiction television series Battlestar Galactica is known for raising thought provoking questions concerning martial law artificial intelligence power and corruption and ultimately what it means to be human What ethical complexities come into play when one mistake could mean the annihilation of the human race How do you maintain faith in the Gods when you re involved in an Armageddon of your own creation What is the distinction between a terrorist and a freedom fighter These questions are given an intelligent and insightful examination in this engaging collection of essays

Cornell Studies in Classical Philology Fred Orlando Bates,1898 [The Invention of the Jewish People](#) Shlomo Sand,2020-08-04 A historical tour de force that demolishes the myths and taboos that have surrounded Jewish and Israeli history The Invention of the Jewish People offers a new account of both that demands to be read and reckoned with Was there really a forced exile in the first century at the hands of the Romans Should we regard the Jewish people throughout two millennia as both a distinct ethnic group and a putative nation returned at last to its Biblical homeland Shlomo Sand argues that most Jews actually descend from converts whose native lands were scattered far across the Middle East and Eastern Europe The formation of a Jewish people and then a Jewish nation out of these disparate groups could only take place under the sway of a new historiography developing in response to the rise of nationalism throughout Europe Beneath the biblical back fill of the nineteenth century historians and the twentieth century intellectuals who replaced rabbis as the architects of Jewish identity The Invention of the Jewish People uncovers a new narrative of Israel s formation and proposes a bold analysis of nationalism that accounts for the old myths After a long stay on Israel s bestseller list and winning the coveted Aujour hui Award in France The Invention of the Jewish People is finally available in English The central importance of the conflict in the Middle East ensures that Sand s arguments will reverberate well beyond the historians and politicians that he takes to task Without an adequate understanding of Israel s past capable of superseding today s opposing views diplomatic solutions are likely to remain elusive

In this iconoclastic work of history Shlomo Sand provides the intellectual foundations for a new vision of Israel's future

Millennialism, Persecution, and Violence Catherine Wessinger, 2000 In this book a cross cultural and comparative volume Catherine Wessinger reveal three patterns within millennial groups that are not mutually exclusive assaulted millennial groups which are attacked by outsiders who fear and misunderstand the religion fragile millennial groups that initiate violence to preserve the religious goal and revolutionary millennial groups possessing an ideology that sanctions violence

the Twisted Trees Bradley P. Beaulieu, 2021-06 The fourth book in The Song of Shattered Sands series an epic fantasy with a desert setting filled with rich worldbuilding and pulse pounding action When a battle to eradicate the Thirteenth Tribe goes awry the kingdoms bordering the desert metropolis of Sharakhai see the city as weak and ripe for conquest eda now leader of the Shieldwives a band of skilled desert swordswomen hopes to use the growing chaos to gain freedom for Sehid Alaz the ancient undying king of her people Freeing him is only the beginning however Like all the people of her tribe on that fateful night four centuries earlier Sehid Alaz was cursed turned into an asir a twisted miserable creature beholden to the kings of Sharakhai to truly free her king eda must break the chains that bind him As Sharakhai's enemies close in and the assault on the city begins eda works feverishly to unlock the mysteries of the asirim's curse But danger lies everywhere Enemy forces roam the city the Blade Maidens close in on her her own father one of the kings of Sharakhai wants eda to hang Worst of all the gods themselves have begun to take notice of eda's pursuits When the combined might of Sharakhai and the desert gods corner the survivors of the Thirteenth Tribe in a mountain fastness the very place that nearly saw their annihilation centuries ago eda knows the time has come She was once an elite warrior in service to the kings of Sharakhai She has been an assassin in dark places A weapon poised to strike from the shadows A voice from the darkness striving to free her people No longer Now she's going to lead The age of the Kings is coming to an end
