Prabha,2000 There exist a few histories of Indian Writing in English IWE from Derozio to the present day But their defining nature and scope have been more or less a linear narration of authors work and their times Quite often the determinants of literary excellence in India are non literary Members of the affluent classes as literateurs here owe more to their position in society than to their talent for their visibility The fact of the matter is that in the prevailing IVVE scenario literary criticism is incomplete as a tool *Our Glasgow* Piers Dudgeon,2012-10-25 This ebook edition contains the full text version as per the book Doesn t include original photographic and illustrated material This oral history of Glasgow spans most of the last century a time of economic downturn and eventual renewal in which the many communities making up the city experienced upheavals that tore some apart and brought others closer together It tells of the beating heart of no mean city in the words of the people who made it what it is Piers Dudgeon has listened to dozens of people who remember the city as it was and who have lived through its many changes They talk of childhood and education of work and entertainment of family community values health politics religion and music Their stories will make you laugh and cry It is people s own memories that make history real and this engrossing book captures them vividly *The Real*

Gorbals Story Colin MacFarlane, 2011-07-22 Colin MacFarlane was born in the Gorbals in the 1950s 20 years after the publication of *No Mean City* the classic novel about pre war life in what was once Glasgow's most deprived district He lived in the same street as its fictional razor king Johnnie Stark and subsequently realised that a lot of the old characters represented in the book were still around as late as the 1960s Men still wore bunnets and played pitch and toss women still treated the steamie as their social club The razor gangs were running amok once again and filth violence crime rats poverty and drunkenness abounded just like they did in *No Mean City* MacFarlane witnessed the last days of the old Gorbals as a major regeneration programme begun in 1961 was implemented and as a street boy he had a unique insight into a once great community in rapid decline In this engrossing book MacFarlane reveals what it was really like to live in the old Gorbals

Glasgow Caroline Macafee, 1983-01-01 The Glasgow toonheid vernacular is certainly the most vital and widespread if least prestigious form of present day Scots No comprehensive description has existed so far Macafee's sociolinguistic research having barely scratched the surface Caroline Macafee's long introduction to the emergence and present distribution of the variety is not only a memorable feat in itself it is also closely related to the 73 texts which include a substantial portion of natural speech and an impressive array of naturalistic and stereotyped language as used in poetry drama and literary prose
