 Florida is a waterfront city that has long been a playground for the rich and famous Million dollar homes nestle alongside  
 multi million dollar estates all of which are built along interconnecting waterways It is a city where boats number in the tens  
 of thousands Naturally such a concentrated abundance of wealth has served to upstart a vast number of waterfront cafes and  
 bars from which party goers and fine diners alike may watch the nightly parade of expensive yachts as they transient the  
 Intracoastal Waterway It is a parade of affluence and decadence at its finest The Gold Coast of Florida is an area where  
 wealth goes beyond measurement and is perpetual There always has been and always will be someone bigger and faster  
 someone with a larger yacht a faster car a sleeker jet The possibilities are directly proportionate to desire and the sky is the  
 limit Competition is fierce perhaps even audacious Yet that only serves to attract the wealthy It is a melting pot for the rich  
 However for many it has also been their Waterloo Trust Fund Babies young recipients of inherited fortunes flock from near  
 and far to jockey into position as potential suitors for devastatingly beautiful women Those in the know often refer to those  
 beauties as Zoologists When referred to in this context a Zoologist is one who is on the hunt for four particular species a

jaguar in her garage a mink in her closet a tiger in her bed and a jackass who will pay for it all without questions asked Unfortunately those not in the know must learn Many a wealthy man has relocated to Ft Lauderdale Florida to show them how it is done only to find himself well laid but penniless some three years later Of course as with any game of desire the have nots are always figuring a means to compete with the haves Enter crime cons strippers smugglers gambling it would be necessary to update the list daily for imagination and desire know no holiday There is but one desire one goal and that desire knows no discrimination whatsoever In order to compete with the haves one needs nothing more than a burning desire to become a Player This is a story of some of those Players so please read on if you dare
