Guns and College Homicide Stephen K. Boss,2019-01-10 At a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that American college campuses are not magnets for murderers but sanctuaries from them Because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the U S public at large Drawing on crime data submitted in compliance with the Clery Act and public reports of those crimes this study inventories every documented homicide at a U S college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety
