## **The Upside Down Fish:**

**The Upside-Down Fish** Kate Louise, 2015-02-10 Upside Down Fish lives in a big tank at a pet store filled with lots of other fish. The other fish in the tank swim the right way up though and they don't understand why Upside Down Fish is so different. This makes him very lonely. One day a child comes into the store and chooses Upside Down Fish as a pet. He is anxious that he won't be accepted in his new tank but much to his surprise the new fish are friendly. They love that he is different and want to know what it's like to have the sky below and the ground above. Upside Down Fish realizes that it's okay to be different; it's what makes him so special. Kate Louise and Laura Matine's *The Upside Down Fish* is about being yourself and finding happiness with people who accept you for who you are. Inspired by the author's own upside down fish, this is a book for any child who feels a little different and needs that extra boost of confidence. Sky Pony Press, with our Good Books Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers: picture books for small children, chapter books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft, stories told with LEGO bricks, books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. **The**
