Ship of Fate Trần Đình Tru, 2017-04-30 Ship of Fate tells the emotionally gripping story of a Vietnamese military officer who evacuated from Saigon in 1975 but made the dramatic decision to return to Vietnam for his wife and children rather than resettle in the United States without them Written in Vietnamese in the years just after 1991 when he and his family finally immigrated to the United States Tr n nh Tr s memoir provides a detailed and searing account of his individual trauma as a refugee in limbo and then as a prisoner in the Vietnamese reeducation camps In April 1975 more than 120 000 Indochinese refugees sought and soon gained resettlement in the United States While waiting in the Guam refugee camps however approximately 1 500 Vietnamese men and women insisted in no uncertain terms on being repatriated back to Vietnam Tr n was one of these repatriates To resolve the escalating crisis the U S government granted the Vietnamese a

The American War in Viet Nam Susan Lyn Eastman, 2024-01-12 We have been waiting for a book on war and memory about the American War in Vietnam both about the Americans and the Vietnamese in the new century of the Desert Wars of Afghanistan and Iraq Susan Lyn Eastman has fulfilled that expectation and she has done so with a study impressive in its range of topical issues texts and commentary Philip D Beidler Margaret and William Going Professor of English University of Alabama After more than four decades the Viet Nam War continues to haunt our national memory culture politics and military actions In this probing interdisciplinary study Susan Lyn Eastman examines a range of cultural productions from memorials and poetry to cinematic and fictional narratives that have tried to grapple with the psychic afterlife of traumatic violence resulting from the ill fated conflict in Southeast Asia Underpinning the book is the notion of prosthetic memory which involves memories acquired by those with no direct experience of the war such as readers and filmgoers Prosthetic memories Eastman argues refuse to relegate the war to the forgotten past and challenge the authenticity of experience thus ensuring its continued relevance to debates over America s self conception specifically her coinage of the New Vietnam Syndrome and the country s role in world affairs when it comes to contemporary military interventions With the notable exception of the Veterans Memorial in Washington Eastman s focus is on works produced from the Persian Gulf War 1990 91 through the post 9 11 War on Terror She looks not only at American representations of the war from movies like Randall Wallace s *We Were Soldiers* to poems by W D Ehrhart Yusef Komunyakaa and others but also at novels by Vietnamese authors Bao Ninh and Huong Thu Duong The experiences of women figure prominently in the book Eastman devotes a

chapter to the Vietnam Women's Memorial and another to Sandie Frazier's novel *I Married Vietnam* and Oliver Stone's film *Heaven and Earth* based on memoirs by Le Ly Hayslip. And by examining Jessica Hagedorn's *Dream Jungle* a novel inspired by the filming of *Apocalypse Now* she considers how the war's repercussions were felt in other countries in this case the Philippines. Her investigation of Vietnamese American authors Lan Cao, Andrew Lam, and GB Tran adds a transnational dimension to the study.

[An American Brothel](#) Amanda Boczar, 2022-02-15

In *An American Brothel* Amanda Boczar considers sexual encounters between American servicemen and civilians throughout the Vietnam War and she places those fraught and sometimes violent meetings in the context of the US military and diplomatic campaigns. In 1966 US Senator J. William Fulbright declared that Saigon has become an American brothel. Concerned that as US military involvement in Vietnam increased so too had prostitution, black market economies, and a drug trade fueled by American dollars, Fulbright decried an arrogance of power on the part of Americans and the corrosive effects unchecked immorality could have on Vietnam as well as on the war effort. The symbol at home and abroad of the sweeping social and cultural changes was often the so-called South Vietnamese bar girl. As the war progressed, peaking in 1968 with more than half a million troops engaged, the behavior of soldiers off the battlefield started to impact and affect the conflict more broadly. Beyond the brothel, shocking revelations of rapes and the increase in marriage applications complicated how the South Vietnamese and American allies cooperated and managed social behavior. Strictures on how soldiers conducted themselves during rest and relaxation time away from battle further eroded morale of disaffected servicemen. The South Vietnamese were loath to loosen moral restrictions and feared deleterious influence of a permissive Western culture on their society. From the consensual to the coerced, sexual encounters shaped the Vietnam War. Boczar shows that these encounters, sometimes facilitated and sometimes banned by the US military command, restructured the South Vietnamese economy, captivated international attention, dictated military policies, and hung over diplomatic relations during and after the war.
