The Walworth Farce Nhb Modern Plays:

The Walworth Farce Enda Walsh, 2019 It's eleven o'clock in the morning in a council flat on the Walworth Road in London. In two hours time, as is normal, three Irish men will have consumed six cans of Harp, fifteen crackers with spreadable cheese, ten pink biscuit wafers and one oven-cooked chicken with a strange blue sauce. In two hours time, as is normal, five people will have been killed. A remarkable play about what can happen when we become stuck in the stories we tell about our lives. Visceral and tender. The Walworth Farce combines hilarious moments with shocking realism. *Arlington* Enda Walsh, 2016 A strange, tender love story from the author of *Disco Pigs* and *The Walworth Farce*. In a waiting room inside a tower, Isla waits for her number to be called. A young woman finally understands her fate. And a young man faces a stark decision. In the midst of a bleak and terrifying world, *Arlington* is a compelling ode to the human spirit and its power to endure. It premiered at Galway International Arts Festival in 2016 in a production by the festival and Landmark Productions, directed by the playwright Enda Walsh. His play *Arlington* is published in this edition alongside three short theatre installations: *Kitchen*, *A Girl's Bedroom* and *Room 303*, performed at the 2016 Galway International Arts Festival under the collective title *Rooms*. **Enda Walsh Plays: Two** Enda Walsh, 2014 The second collection of plays from the multi-award-winning Irish playwright. This volume of remarkable plays charts the development of one of the most strikingly original playwrights in contemporary theatre. It collects together four full-length plays, three of which were produced by Galway's Druid Theatre Company, three of which were performed at the Edinburgh Fringe, and two of which transferred to London's National Theatre, along with two fascinating short plays and a Foreword by the author. *The Walworth Farce* 2006 is a madcap yet tender play about what can happen when we become stuck in the stories we tell about our lives. *The New Electric Ballroom* 2008 is a dark, glitter-dusted fable of the emotionally stultifying effects of small-town life. In a savage and riveting take on the classic Greek myth of Odysseus's wife Penelope, 2010 sees four ridiculous men facing their inevitable deaths and playing for an unwinnable love. *Ballyturk* 2014 saw Walsh reuniting with actor Cillian Murphy after *Disco Pigs* and *Misterman* for a jaw-droppingly physical play in which the lives of two men unravel over the course of ninety minutes. Also included in this volume are two short plays: *My Friend Duplicity* 2010, which went on to inspire *Ballyturk*, and *Room 303* 2011. One of the most fiercely individual voices in the theatre today, New York Times Enda Walsh makes his own distinctive stage music in the fury of his writing talent and the irresistible surge of his blatant theatricality. *Independent* *Ballyturk* Enda Walsh, 2014 A gut-wrenchingly funny, achingly sad play featuring jaw-dropping moments of physical comedy. The lives of two men unravel over the course of ninety minutes. Where are they? Who are they? What room is this, and what might be beyond the walls? *Ballyturk* premiered at Galway International Arts Festival in 2014. It subsequently toured Ireland before opening at the National Theatre, London. **Once** Enda Walsh, Glen Hansard, 2013 When an Irish busker and a young Czech mother meet through a shared love of music, their songwriting sparks a deep connection and a tender, longing romance that neither of them could
