**The War of the Worlds - The Original Classic - Large Print Edition** H Wells,2018-03-04 LARGE PRINT EDITION 16 POINT FONT A Science Fiction Masterpiece THE ORIGINAL CLASSIC NOVEL TOLD BY H G WELLS FIRST PUBLISHED IN 1898 Yet across the gulf of space minds that are to our minds as ours are to those of the beasts that perish intellects vast and cool and unsympathetic regarded this earth with envious eyes and slowly and surely drew their plans against us H G Wells 1898 The War of the Worlds [The War of the Worlds The New Illustrated Version](#) Herbert George Wells,2020-04-10 The War of the Worlds is a military science fiction novel by English author H G Wells It first appeared in serialized form in 1897 published simultaneously in Pearson s Magazine in the UK and Cosmopolitan magazine in the US The first appearance in book form was published in London in 1898 It is the first person narrative of the adventures of an unnamed protagonist and his brother in Surrey and London as Earth is invaded by Martians Written between 1895 and 1897 it is one of the earliest stories that detail a conflict between mankind and an extra terrestrial race The novel is one of the most commented on works in the science fiction canon

**The War of the Worlds [Large Print Edition]** H. G. Wells,S. M. Sheley,2014-02-22 This premium quality large print volume includes the complete and unabridged text of H G Wells original science fiction classic The War of the Worlds an enduring and still popular work which exerted a huge influence on the science fiction genre which continues today This freshly edited and newly typeset edition features a large 7 44x9 69 page size and is printed on heavyweight bright white paper with a fully laminated cover featuring an original full color design Also included in this volume are page headers and an introductory biographical sketch discussing Wells life work and continuing literary significance This tale involves the theme of humanity coming into conflict with strange alien societies in this case the invasion of the earth by hostile Martians Wells would revisit this theme in the context of the encounter between human explorers and the native inhabitants in The First Men in the Moon A common theme in the science fiction genre these tales by Wells represent two of the earliest and most influential such stories But unlike so many of the similar stories that have followed Wells did not posit either the innate superiority of humanity or man s scientific achievements as the earth s salvation Rather Wells story portrays humanity as more or less at the mercy of forces beyond its control reflecting an underlying fear that scientific discovery and progress might not make man the unchallenged master of the universe after all Herbert George Wells 1866 1946 was born to shopkeepers who had previously been employed as domestic servants When an injury ended his father s income as a professional cricketer Wells

parents on the brink of poverty apprenticed him to a draper but he was dismissed after a short time and subsequently became a pupil teacher in a system where older students helped teach younger students Despite having little formal education Wells a voracious reader won a scholarship to the Normal School of Science in London where he completed courses in biology and physics but left the school in 1887 after failing geology and losing his scholarship Best known today for his science fiction works Wells first published book was a biology textbook in 1893 With the publication of *The Time Machine* in 1895 Wells began a long and successful writing career The next several years saw the publication of *The War of the Worlds* *The Invisible Man* *The Island of Doctor Moreau* *The First Men in the Moon* and many other works ranging from humorous social commentary novels to non fiction and political polemics In 1920 he published his landmark *Outline of History* which became the model for outline texts in a variety of disciplines Over time Wells works became increasingly political contentious and argumentative and only his early science fiction novels are widely read today Those novels provide insights into the science and society of Wells day and are interesting for their prediction of future events and scientific developments Wells science fiction tales are also very entertaining and easy to read Many of his story elements like time travel hostile aliens mutant creatures and space travel became common themes in science fiction In literary circles Wells comic novels virtually unknown to readers of today are considered outstanding examples of 20th century British literature and Wells work is regarded as one of the best examples of pre World War I liberal optimism Yet Wells social optimism is tempered particularly in his science fiction works and he clearly voices a sense of dread of science and technology gone out of control that runs through post Victorian British thought Wells is often referred to as one of The Fathers of Science Fiction and science fiction today might look very different without Wells contributions
