The Way We Bared Our Souls:

The Way We Bared Our Souls Willa Strayhorn, 2015-01-22 If you could trade your biggest burden for someone else's would you do it Five teenagers sit around a bonfire in the middle of the New Mexico desert They don't know it yet but they are about to make the biggest sacrifice of their lives Lo has a family history of MS and is starting to come down with all the symptoms Thomas a former child soldier from Liberia is plagued by traumatic memories of his war torn past Kaya would do anything to feel physical pain but a rare condition called CIP keeps her numb Ellen can't remember who she was before she started doing drugs Kit lost his girlfriend in a car accident and now he just can't shake his newfound fear of death When they trade totems as a symbol of shedding and adopting one another's sorrows they think it's only an exercise But in the morning they wake to find their burdens gone and replaced with someone else's As the reality of the ritual unfolds this unlikely group of five embarks on a week of beautiful terrifying experiences that all culminate in one perfect truth In the end your soul is stronger than your burdens Utterly original haunting and honest Strayhorn's literally infectious story of fear and hope will change the way you view your flaws forever Una LaMarche critically acclaimed author of *Like No Other* and *Five Summers*

Catholics and Anti-Catholicism in Chosŏn Korea Don Baker, Franklin Rausch, 2017-05-31 Korea's first significant encounter with the West occurred in the last quarter of the eighteenth century when a Korean Catholic community emerged on the peninsula Decades of persecution followed resulting in the deaths of thousands of Korean Catholics Don Baker provides an invaluable analysis of late Chosŏn 1392-1897 thought politics and society to help readers understand the response of Confucians to Catholicism and of Korean Catholics to years of violent harassment His analysis is informed by two remarkable documents expertly translated with the assistance of Franklin Rausch and annotated here for the first time an anti-Catholic essay written in the 1780s by Confucian scholar Ahn Ch'ngbok 1712-1791 and a firsthand account of the 1801 anti-Catholic persecution by one of its last victims the religious leader Hwang Say'ng 1775-1801 Confucian assumptions about Catholicism are revealed in Ahn's essay *Conversation on Catholicism* The work is based on the scholar's exchanges with his son-in-law who joined the small group of Catholics in the 1780s Ahn argues that Catholicism is immoral because it puts more importance on the salvation of one's soul than on what is best for one's family or community Conspicuously absent from his *Conversation* is the reason behind the conversions of his son-in-law and a few other young Confucian intellectuals Baker examines numerous Confucian texts of the time to argue that in the late eighteenth century Korean Confucians were tormented by a growing concern over human moral frailty Some among them came to view Catholicism as a way to overcome their moral weakness become virtuous and in the process gain eternal life These anxieties are echoed in Hwang's *Silk Letter* in which he details for the bishop in Beijing his persecution and the decade preceding it He explains why Koreans joined and some abandoned the Catholic faith and their devotion to the new religion in the face of torture and execution Together the two texts reveal much about not only Korean beliefs and values of two centuries ago but also how Koreans viewed their
