In the Alpha's Den - Werewolf Shifter Alpha Male Reluctant Virgin Erotica Francis Ashe, Lilah is an adventurous fun loving biologist who loves exploring the woods One day as she s taking algae samples from a river something crashes behind her in the trees and being sensible she beats a hasty path back toward the nearest town But to her shock to her horror a beast she thought existed only in books and movies chases her through the woods and corners her in a clearing Krot the ancient werewolf is unable to control himself and slakes his lust before taking Lilah back to his alpha to see if she really is the prophesied woman who will lift the curse on his people Then in the alpha s den Lilah must pass a test she has to prove that she s strong enough passionate enough and hardy enough to withstand Javen s lovemaking After all if she can t take that part how can she possibly be the mother to the pack Excerpt His nose cold against my skin excited me all over again and when I felt those long horrible teeth gently scratching me where he bit between my breasts ripping my shirt and tearing through the sports bra I always wore in the woods I felt myself lighten like I was floating in water And aside from all that his scent leathery smoky earthy it made my thoughts start rattling in my head Something about his pure raw animal masculinity drove me nuts Lifting his paw from my shoulder he braced himself and yanked on my shirt rending it from where it was tucked into my safari shorts and snarled as he flung it violently to one side The cool air caressed me stiffening my nipples even as the heat from the monster s breath soothed the goosebumps his pawing scratching and biting had forced upon me I was never one for rough stuff before My last boyfriend tried to spank me

and even that little bit of naughty play was enough to get me to clam up But this this was something entirely different It s a wolf you idiot I thought he s not going to Need you What You need me Instinctively I put my hands on either side of his massive head and almost fainted when I felt those jaw muscles clench and relax So powerful so strong If there was any doubt in my mind that this creature could rip me limb from limb it vanished right then But still he hadn t killed me yet which was a good sign And he needed me You need me For what He snapped the air like something invisible was tormenting him When he gnashed his teeth he was barely contained Wild savage and intensely powerful To breed young he paused for a moment and then said prophecy in the same strained taut voice *The Werewolf Takes His Mate - Werewolf Shifter Alpha Male*

Reluctant Breeding Erotica Francis Ashe, 2013-12-08 On a long rambling road trip to spread her wings after college curvy and innocent Alyssa has just about given up on finding anyone who will love her for who she is Little does she know that in a dusty town off the side of the road Alyssa will walk straight into exactly the man she never expected When Will Eckhart sheriff and secret werewolf alpha first lays eyes on Alyssa he knows she s something special Something about her eyes her scent and the way she walks puts a fire right in his belly But he knows that if he s going to mark her as his mate she s going to have to survive the pack first Wild passion feral need muscled werewolves and a towering intensely powerful alpha fill these pages and every desire Alyssa has ever had This is an explicit read meant for audiences 18 EXCERPT I I need you can t stop thinking scent the man behind the door growls I can hardly get my mind off of the sheriff off those eyes and that smoldering gaze I try my best to clear my head but my best efforts just end with my muscles clenching slow tight between my legs If I let you in what will happen A snorting sound meets my ears and then a rumbling growl Let me in or I ll break door How do I know you re not going to hurt me Or kill me Or The voice doesn t answer but a pounding fist on the door does I hear the wood rattling on the hinges squeaking slightly under the insistent banging Then the noise all stops For one brief moment there s no sound no breathing no scratching Are you still there I ask surprised at how hopeful my voice sounds This is no fantasy I know there s actually someone out there wanting in but hello I call again The moment stretches into eternity There s only silence Then just as I m adjusting to the quiet a growl and what can only be a shoulder crashing into the door jolts me back to reality He pulls away and the next second smashes back into the door this time bashing it straight open throwing it backwards so that it slaps the wooden wall knocking a cheap picture of a wheat field to the ground with a clatter I open my eyes wide unable to believe what s happening Though the room is dark lit only by the moon s pale yellow glow I think I can see two slightly different colored eyes peering at me through the blackness Sheriff I ask Is that you **The Pack's Reluctant Mate - Reluctant Virgin Werewolf Gangbang** Francis Ashe, Innocent Fiona has heard legends of skinwalkers who can change shape at will but thought they were simply old tales On a peaceful walk through the woods she learns maybe there is more to the Elders tales than she ever thought Cornered by a pack of wolves with eyes that she finds strangely human and beautiful she feels passion and lust bubble up from deep inside her things she s never felt before but

things she cannot deny Will she escape the pack or will she become the reluctant mate to the mighty Alpha who needs Fiona more than she knows Warning This sizzling 9800 word erotic romance features a young woman getting what she s always wanted a passionate m nage unhinged monsters with barely enough humanity left to control their most savage urges and a curse that can only be cured in one way by one woman Excerpt A tremendous weight pushed me backwards holding me hard against the soft crunching leaves underneath Two heavy pads crushed my shoulders sending tendrils of pain all the way down my body You re ow you re hurting me Please Stop The pressure grew and as it did my unlikely anticipation swelled I couldn t help it no matter how insane I felt these huge beasts were making me experience emotions no one nothing ever had My shorts tore first with the button popping off as Midnight yanked me along the ground and then ripped open from the inseam outward in a gnashing of dagger like teeth that could have sliced me open at any moment Instantly I remembered the dream I d been awakened from the wolf with his head between my legs grinding pleasure from my very bones and sliding his long hot tongue along my untouched sex And then I remembered the legend I d heard that skinwalkers could enter your dreams penetrate your very desires and make you burn for them ache for their seductive touch In a flash of panic mixed with utter ecstatic confusion I swung my head from side to side Standing above me with his face inches from mine was the tremendous white beast his cock throbbing as it lay on my belly His heavy thick fur sheathed prick thrummed in time with his heart and soon I realized with mine So badly I wanted to feel him to touch him and take him inside me that it almost terrified me Beside him slowly circling as though waiting for an opening in which to pounce on my naked helpless body was one of the Midnight twins the one with eyes the color of rich dripping amber instead of the other blue black wolf s pale yellow irises The last of the three I couldn t see but I could certainly feel as his nose made my pussy tingle with anticipation with every tiny little movement he made against me In my confusion I d forgotten all about the mightiest of the beasts at least until I happened to roll my head to one side as the wolf between my legs forced my sex to pulse around his tongue **Under A**

of the tale I can't help but take another breath that sticks in my chest I can barely keep my eyes open His hands go to my hips grip me to him so hard I can't move I don't want to move I don't want to run For the first time since arriving in this weird stretch of forest I feel like I'm home All I want is for Sebastien's promise to be real to never have to be without him Outside the cave somewhere in the distance his subordinates howl their voices piercing the night Looking back first at where his cock enters me then at his face I see that the pack's sound brings him comfort When you wake up he says as sweat that looks like quicksilver runs down his chest you'll be alone Don't be afraid I'll never leave you But there's something we have to do Before I say anything my body clenches around him in a climax that threatens to take my consciousness or wake me from sleep if this is a dream I still can't tell and his hands curl around me squeezing so hard I feel bruises Don't forget what I told you He whispers as a green twinge appears around the edges of my vision Don't forget He takes a breath I feel his kiss on the back of my neck then behind my ear Don't forget His whisper fades into the night A moment later all I can sense is what's left of his sweat on my skin and his scent lingering in the air

Turned by a Wolf (A Werewolf Erotic Romance)

Marlo Peterson, 2014-03-04 Not your everyday werewolf erotica Tina works at a campground and decides on one fortuitous night to go for a skinny dip in the lake Little did she know that she was being watched Only the eyes that watched her were a dark yellow that she hadn't seen before When she returned from her rejuvenating and titillating swim she's met by a dark and handsome stranger who seems to have a carnal desire that she's never experienced with any mere mortal What follows is sweet tasting touching and thrusting up against a nearby rock that hurts so good and pleases every inch of her body Excerpt As she lifted her head and looked into Lance's eyes she froze in her tracks His eyes were the same golden yellow shade of the furry creature she was almost killed by He opened his mouth to reveal sharp edged teeth that she had never seen on a human being before Before Tina could let out a yelp Lance sunk those dagger sharp teeth deep into her neck causing her to squeal in submissive delight He was a man possessed Lance sucked at her neck like a vacuum sending tremors of both fear and delight down Tina's spine as she wondered how vicious he would be with her His mouth explored the nape of her neck and bit unforgivably into her shoulder blade before allowing his hot wet tongue to find its way to the undercarriage of her hefty left breast As if working his way to the sweet spot Lance sucked hard at the flesh closest to her underarm causing Tina to lean her head back in ecstasy He sucked her breast in its under region all the way to the epicenter taking great detail to bring her quarter inch nipples to life with flicks sucks and circles of the tongue He reached a now noticeably very hairy hand to grab Tina by the neck as if he was choking her but gentle enough to allow oxygen to pass as he glided his tongue down the center of her chest all the way down to the region of no return just beneath her belly button Her womanly valley begged for sweet relief and that sense was heightened as Lance let out a deep growl when face to face with her as if he was about to punish it for something she did I can't believe we're doing this We don't even know each other Tina said Believe it Lance said before aggressively turning Tina over on her stomach the ridges of the rock scratching her and the
