I Could Use a Miracle Right Now John Webb Kline,2004 The movie The Passion of The Christ dramatically conveyed the price that Jesus paid on the cross to redeem the sins of the world John Webb Kline s new book I Could Use a Miracle Right Now profoundly brings the message of the cross and what it means to us in the 21st century into perspective in a way that few books can It is a story about one man s life long encounter with the Living Christ a story that one might call The Passion of the Christian It is a must read for any true seeker of truth or follower of Christ Author John Webb Kline describes his inspiring new book as a Workingman s Theology a theology that helps us to find God in the midst of our everyday struggles and which helps us to make sense out of the seemingly senseless trials and tribulations we all face Based on stories from his own often tumultuous yet miracle filled life Webb brings us to the amazing discovery that not only is God s intervention for our lives real but it is also there for each and everyone of us hidden only by our rational worldviews and unbelief This is a book about hanging on to faith when it would seem perfectly reasonable not to a book for the faithless and faithful alike it is a book for those who are feeling so hurt so angry or so left out of God s will that they have nothing left but the desire to curse God and die In today s world it very well could be your own handbook for survival Heart to Hand Ministries director Woody Wolfe has this to say about I Could Use a Miracle Right Now Webb is able to take us on that journey to see the true miracles that are the reality of our everyday lives even when the world had blurred our vision Webb s uncanny ability to put into words that which is at the heart of the true Gospel message has been such a blessing to me I wish this book would have been around during those first days of my full time ministry when I was still looking to the world for affirmation To truly

understand that God is already knocked out about us gives us the freedom to be just who we are and Webb has brought that vision of the uncompromising love of God to these pages Please visit the Miraclenews website

Mussoorie Beyond the Mall Amanda G Thrift,Roger G Evans,2025-01-27 Few visitors to Mussoorie go beyond the Mall or beyond the roads There are virtually no signs to guide the way to most of the tracks outlined in the book Those of you who visit Mussoorie for only days or weeks have no time to waste on dead ends and so this book provides the necessary information to reach these remote places All the

maps in this book were produced using a global positioning system device so they are all to scale and all of the walks can be completed within a day Mussoorie runs from west the library end to east the Picture Palace end along an escarpment Walks from Mussoorie past the library end take you to Happy Valley Walk 12 Kempty Falls Walk 15 the ruins of Mackinnon s Brewery Walk 20 George Everest s House Walk 31 and Benog Walk 28 Walks past the Picture Palace end take you to Lal Tibba Walk 13 Top Tibba Walks 1 the valley to the north of Masrana Walk 9 and Surkanda Devi Walk 6 All of these walks take you through forests and streams and past small villages On a clear day you can see panoramic views of the Garhwal ranges of the Himalayas from vantage points along many of the walks This new edition has arisen largely because of the ever changing landscape around Mussoorie This version now has more walks many of which are less than 4 hours to satisfy a request from many readers With each village now having road access some of the original paths are either roads or have become unsafe while others have become overgrown or blocked by fences so we have tried to find alternative ways In finalising this book in late 2024 we have walked every single path checked all instructions and redrawn all maps and graphs However Mussoorie is ever changing so some paths will change in the future When we know about these we will provide updated instructions at mussooriwalks.com We hope you enjoy discovering the spectacular natural beauty of Mussoorie as much as we have Happy hiking
