The Wolf S Pig M M Predator Prey Erotica:

Wolf's Prey Tina Vasilos, 1988 *Predator and Prey* Kate Stewart, 2017-06-28 I was drawn to darkness and he was the abyss Safe It s a liar s word No one is ever truly safe Control is how I survived I lived my life by two principles order and excellence My moral compass steered me out of the backwoods of Tennessee and towards the woman I was destined to become but not without gathering a few skeletons along the way Eventually I found success but my restless relentless nature still left me feeling unsatisfied Then I met a ghost of a man an enigma He wanted me submissive I wanted to know him At first I was convinced Daniello was a figment of my imagination a beautiful and dangerous apparition with an animalistic hunger and insatiable thirst He threatened my need for order and in his absence I became more haunted by my past My love for him made me flesh and bone vulnerable I was finally a woman with something to lose and would do anything to keep it But when my past caught up with my present it became clear that control was a farce and safe would forever remain an illusion
