Interfaith Christian Theology is for fellow seekers who are drawn to the being and message of Jesus but can no longer relate to the dissonance between reality and belief that so many churches require Honig's approach differs from traditional Christian theology in two ways first it does not stem from the framework of a specific denomination and second it presents itself as a way of thinking about Christianity rather than the only way After several years as a minister Honig began Jungian analytic training and earned a PhD in psychology at Loyola University Chicago Jung gave Honig the tools he needed to continue his personal search for a life affirming view of Christianity and to assist others in their search for inner truth and healing

The Sifted Generation Michael L. Henderson, 2015-04-08 Has the final end time generation spoken of by Jesus and the prophets finally arrived Could our generation be the one that is witnessing the beginning phases of the second coming of the Lord If so will you be one of the faithful Jesus finds when He calls His church to heaven In *The Sifted Generation* Pastor Michael Henderson takes a unique look at the final generation from which the true church will be sifted just prior to the days of tribulation that are coming on the entire earth The Bible tells us the times of that generation will be perilous Blasphemies selfishness rebelliousness gracelessness slanderous hearts hedonistic behavior and a lack of respect for God His church and His commandments will rule the day As evidenced in the social and cultural wars around the globe it is evident that the world is already choosing its sides Ironically the Bible declares that a man will arise in the last days He will be a religious leader who will have great charisma and the uncanny ability to garner support from large sections of unbelieving humanity Through deceptive words promises and the quasi miraculous this religious leader will then persuade

his followers to support one even more sinister than he This partner in deception will pounce on the opportunity to take the reins of the world under his control The Sifted Generation explores what life will be like on Earth just before the Lord begins the consummation of all things The question is When the Son of Man comes will He really find faith on the Earth Luke 18 8 Other titles by the author are 25 Reasons to Believe editor and co author with Bernie Lutchman and John Snyder and Those Who Are Wise Will Shine Michael also writes for the periodical The American Church Magazine

The Priesthood of All Believers and the Missio Dei Henry Joseph Voss, 2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer s eschatological temple service and offering of spiritual sacrifices chapters 1 3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4 6 and a suppression of the doctrine s missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord s Supper as the renewal of the royal priesthood

The Foundations of Scriptural Understanding Dann W Hone, 2024-10-07. Scriptural Reference and Exploration Series Volume 1. Foundations of Scriptural Understanding serves as a beginning for scriptural studies introduced in succeeding volumes focusing on the foundations and principles for understanding biblical literature. A description of man's relationships with the universe, covenants, their composition and purpose with attendant ordinances are considered as a prelude to the dispensation of the Mosaic Law followed by the names, signs, tokens, seasons, festivals and feasts that are predictive of the promised Messiah. This volume also delves into a fuller description of the Messiah and his missions as described through Israelite patriarchal blessings. Throughout the writings are references to the ancient tabernacles, sanctuaries and temple worship. Drawing from the best available resources, these words of instruction will help the readers better understand the culture, settings and customs of those who wrote the scriptures. It is written for the lay reader as well as for scholars who desire an additional resource.

Congregational Hermeneutics Dr Andrew Rogers, 2015-12-28. Despite many churches claiming that the Bible is highly significant for their doctrine and practice, questions about how we read the Bible are rarely made explicit. Based on ethnographic research in English churches, Congregational Hermeneutics explores this dissonance and moves beyond descriptions to propose ways of enriching hermeneutical practices in congregations. Characterised as hermeneutical apprenticeship, this is not just a matter of learning certain skills but of cultivating hermeneutical virtues such as faithfulness, community, humility, confidence and courage. These virtues are given substance through looking at four broad themes that emerge from the analysis of congregational hermeneutics: tradition, practices, epistemology and mediation. Concluding with what hermeneutical apprenticeship might look like in practice, this book is constructively theological about what churches actually do with the Bible and will be of interest to scholars, students and practitioners.

The Elijah Enigma Hillel I. Millgram, 2014-09-17. An analysis of the intertwining tales of Elijah and Ahab, mercurial prophet and Machiavellian king, this book is an accessible treatment of one of the most dramatic and well-known episodes in the Bible. In contrast to the popular image of Elijah as a courageous wonder worker who calls down fire from heaven and ascends to heaven in a fiery chariot, this book contends that the prophet was a deeply conflicted man torn between a burning idealism and a deep disillusionment over his failure to achieve his ideals. Despite his profound sense of failure, Elijah's struggle against the paganizing regime of King Ahab and his queen Jezebel managed to save monotheism from eclipse and in so doing alter the course of human history. This work further proposes that the tale presented by the Bible is

more than an account of an ancient battle between two historic figures it is a paradigm of the struggle between the ideals of human dignity and justice and the alternative of expediency in the pursuit of power a conflict that pervades human life to this very day Listening to the Heart of Genesis Leila Gal Berner, 2021-02-04 For those seeking a fresh contemporary approach to the stories and themes of Genesis this book offers an inspiring gateway into the heart of the ancient text Both newcomers and seasoned readers will benefit from Rabbi Leila Gal Berner's invitation to personal contemplation Basing her work on a Christian method of reading Scripture lectio divina reading the holy Rabbi Berner's adaptation for Jews as kariat ha kodesh reading the sacred is welcoming and accessible to readers of all faiths After retelling each story from a very human perspective Rabbi Berner advances rabbinic perspectives that have illuminated each biblical saga over the centuries In addition she brings the text to life with contemporary stories of real people whose experiences echo the biblical stories A final section to each chapter suggests probing questions for personal contemplation and meditation which can be used both by individual readers as part of a spiritual practice and also by groups of spiritual seekers Group leaders will find a helpful facilitator's guide to structure their sessions Beginning with Rabbi Berner's own classes groups have formed throughout North America using her method Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries Craig A. Rubano, 2023-11-13 Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries Gender Creative Promise uniquely brings a gender diverse theological imagination to the field of pastoral theology supplemented by deploying a gender creative interpretative lens on scripture The reader is introduced to an array of persons diverse in their gender variance four continua of gender sex identity expression attraction a gender affirmative psychotherapeutic model as a template for the field of pastoral theology common resilience strategies that transgender persons employ in the face of cultural oppression and aspersion benefits derived from religious affiliation that can enhance resilience and scripturally based principles for delivering affirmative pastoral caregiving beyond gender binaries The author encourages readers to look within and wrestle with the complexities of their own gendered selves while journeying alongside him to emerge as pastoral change makers in their places of teaching ministry and caregiving **The Routledge Handbook of Hispanic Applied Linguistics** Manel Lacorte, 2014-09-19 This book provides a comprehensive overview of Hispanic applied linguistics allowing students to understand the field from a variety of perspectives and offering insight into the ever growing number of professional opportunities afforded to Spanish language program graduates The goal of this book is to re contextualize the notion of applied linguistics as simply the application of theoretical linguistic concepts to practical settings and to consider it as its own field that addresses language based issues and problems in a real world context The book is organized into five parts 1 perspectives on learning Spanish 2 issues and environments in Spanish teaching 3 Spanish in the professions 4 the discourses of Spanish and 5 social and political contexts for Spanish The book's all inclusive coverage gives students the theoretical and sociocultural context for study in Hispanic applied linguistics while offering practical information on its
