Romans Study Guide Questions:

Discipling Through Romans Study Guide Don Krow, 2022-02-01 A believer once told me how he would gather with a Bible study group and discuss Andrew's Life for Today commentary notes. Many in the group found this method of study to be helpful in their walk with God. So I decided to put together *Discipling Through Galatians*, a study guide based on notes from Andrew's Living Commentary and Life for Today. [Bible Study Questions on the Book of Romans](#) David E.

Pratte, 2014-02-24 This workbook on Romans was designed for use in Bible classes, family study, or personal study. The class book material is suitable for teens and adults. Questions in the lessons contain minimal human commentary but instead guide students to study to understand Scripture. Enough questions are included for teachers to assign as many questions as they want for each study session. The course assignments may proceed at whatever speed and depth will best accomplish the needs of the students. *Romans: An Introduction and Study Guide* Sze-kar Wan, 2020-12-10

Sze-kar Wan examines the social and political ramifications of Paul's last and longest letter. By taking seriously Paul's faithfulness to his ancestral tradition, Wan argues that Paul is engaged in ethnic construction by incorporating non-Jews into Ideal Israel. With its claim of universality and the cosmic Son of God installed as king, Ideal Israel stands in pointed opposition to the Roman Empire. Wan presents the Letter to the Romans as Paul's extended argument to his Gentile audience in defence of Ideal Israel and their place in it without ignoring such prominent themes as good news, faith, and belief, eschatology, and the collection for the poor. By also including a reading of Romans 13 as resistance against absolute authority at variance with historical interpretations that defended American slavery and German Nazism, Wan gives readers a new perspective on a defiant message that can be marshalled to resist oppressive regimes. *Romans Bible Study Guide plus Streaming Video* Jada Edwards, 2021-12-21

Introduction and Study Guide Warren Carter,2024-07-11 This insightful study engages the debates and interpretations of the brief and somewhat elusive writings known in the Christian canon as 1 2 and 3 John Chapter 1 identifies six unknowns about the origins of the three writings authors relationship to John s Gospel order date and location of the writings and their audiences Chapters 2 and 3 delineate the debate concerning the relationship of these writings to a purported Johannine tradition and Johannine community in which a schism is claimed to have occurred An alternative view recognizes that while there are some connections with John s Gospel it is more compelling to see the writings as independent rather than derivative as internally not externally directed as pastoral not polemical and as schism free Chapters 4 7 discuss important aspects of 1 John Chapter 4 argues that its structure or organization is based on rhetorical and conceptual links among the writing s small units Chapter 5 reads 1 John as a pastoral in house writing rather than a polemical attack on opponents Chapter 6 identifies the genre of I John as not a letter or sermon but an epideictic speech that seeks to strengthen the identity commitments and practices of its believing recipients Chapter 7 outlines theological understandings that underpin the writing s pastoral work Chapters 8 and 9 focus on 2 and 3 John as writings that provide two different approaches to itinerant teachers The narrative fiction in 2 John presents the elder s warning and skepticism about itinerant teachers whereas the author of 3 John by contrast advocates reception and welcome for itinerant teachers *Question-based Bible*
