

Romanticism: Poetry Study Guide

Directions

Use the provided poetry collection documents to help you complete this guide as you go through each poem. Write your answers in complete sentences and use quotes from the poems when appropriate to support your responses. Your responses should be a minimum of 2-3 sentences and a maximum of 2 paragraphs long.

"The Lamb"

1. "The Lamb," like many of Blake's poems, uses simple sentence structure and diction. What is the overall effect of this stylistic decision? What keeps the poem itself from being simple?

The effect of the simple sentence structure and diction contributes to the poem's overall innocence. The lamb is a symbol of innocence and childhood and the simplicity of the sentences alludes to the simplicity of the innocence the author is trying to portray. The poem is kept complex by the pastoral ideas suggested throughout and the calling out to God and thanking him for their creation and life. Those ideas are not simple and are very complex when religion is brought into the picture.

"The Tyger"

2. What emotional progression does the poem imply in the speaker's contemplation of the Tyger? How does the speaker's attitude about the Tyger change during the poem?

At first, the speaker is in awe of the creation of the tiger. Throughout the poem, he compares the purpose of creating the tiger to the purpose of creating the lamb. In this comparison, his attitude becomes confused because how could something be so innocent be created by the same being that created the fearful, somewhat evil tiger.

"The Chimney-Sweeper"

3. In the Songs of Innocence version of the poem, why does the child-speaker interpret his situation—practically a form of industrial-age slavery—in a positive light? Does the content of his narration undercut his innocent trust in God?

He's an innocent child and doesn't really know any better. It's the only life he knows so he hasn't come to resent it. The boy puts his trust in God because he pushes him and keeps him going.

4. Compare the Songs of Experience version of the poem to its Innocence precursor. Again, what enables the child to interpret his situation so differently?
