This resource includes materials for every Sunday and holy day of obligation from August 7, 2011, through June 24, 2012. **Celebrating the Lectionary for High School 2012-2013: Supplemental Lectionary-Based Resource , Story, Formation, and Culture** Benjamin D. Espinoza, 2018-10-15 Story Formation and Culture brings together a myriad of scholars, researchers, and ministry leaders into conversation about how we can effectively nurture the spirituality of children. Built around the three themes of story, formation, and culture, this volume blends cutting-edge research and insights with attention to how we can bring theory into practice in our ministries with children. The work of children's spiritual formation is often a marginalized component in the church's overall ministry. This volume seeks to equip pastors, leaders, and scholars with cutting-edge research and practices that effectively strengthen their ministries with children. **Energizing Children's Ministry in the Smaller Church** Rick Chromey, 2008 Energizing Children's Ministry in the Smaller Church helps you with your smaller church children's ministry make a huge and mega impact. Part of the ESCN product line. Holy Work with Children Tanya Marie Eustace Campen, 2021-06-29 Children are theologians with the ability to recognize and respond to God's presence in their lives. Listening to the stories of children helps us to understand how children make meaning out of God's presence and reveals tools that children use as they claim their faith. With this knowledge, adults can then better promote and encourage children's spiritual growth. Offering a theology of childhood, Holy Work with Children values the child's role in the Body of Christ and God's transformative work. Dr. Campen invites readers to consider: How does listening to children teach us about God and faith formation? What wisdom and insight do children offer to all of us by how they seek understanding of God and God's presence in their lives? How can we guide and support the children in our communities in this work? Drawing on direct research with children as they think theologically, this book extends both theological and educational research. Holy Work with Children offers practical examples for how congregational leaders, parents, and those who journey with children can encourage and guide them as they make theological meaning and discover ways to respond to God's grace and love, making a difference in their communities and the world.
