History of the IAU Adriaan Blaauw,2012-12-06 This History has its origin in a suggestion made in September 1990 by former IAU General Secretary Derek McNally who felt that a 75 year history of the Union was needed before the col lective memory of those who knew the Union before the Second World War vanished It would then be a preparatory volume to a centennial history in 2019 Indeed of those who knew the Union that long ago few are still with us Six years ago at Baltimore on August 2 1988 listening and reminiscing at the Inaugural Ceremonies of the Union s 20th General Assembly I realized that it was almost exactly half a century ago that at the age of 24 I attended the Inaugurations at my first Assembly on August 3 1938 in Stockholm Now in 1994 this is almost 56 years ago three quarters of the Union s age Only vague recollections no better than that lead me back to this event just before World War II And so this is not a history based on recollection far from it Recollection was helpful in that it allowed me better perhaps than a younger author to appreciate circumstances under which the letters and reports which form the basis for this History were written The account is largely based on archival documents collected from a wide variety of sources **Negotiation** Kevin W.
