**Welcome to Hell** Jan Arriens,1997 *The Christians Welcome to the Court of Heauen, Or a Joyfull Translation. A Sermon Preached ... at the ... Funerall of ... Iane Ferrers, Etc* Nathanael COLE,1625 **The Mirror of Language (Revised Edition)** Marcia L. Colish,1983-01-01 Early Christianity faced the problem of the human word versus Christ the Word Could language accurately describe spiritual reality The Mirror of Language brilliantly traces the development of one prominent theory of signs from Augustine through Anselm of Canterbury Thomas Aquinas and Dante Their shared epistemology validated human language as an authentic but limited index of preexistent reality both material and spiritual This sign theory could thereby account for the ways men receive know and transmit religious knowledge always mediated through faith Marcia L Colish demonstrates how the three theologians used different branches of the medieval trivium to express a common sign theory Augustine stressed rhetoric Anselm shifted to grammar including grammatical proofs of God s existence and Thomas Aquinas stressed dialectic Dante the one poet included in this study used the Augustinian sign theory to develop a Christian poetics that culminates in the Divine Comedy The author points out not only the commonality but also the sharp contrasts between these writers and shows the relation between their sign theories and the intellectual ferment of the times When first published in 1968 The Mirror of Language was recognized as a pathfinding study This completely revised edition incorporates the scholarship of the intervening years and reflects the refinements of the author s thought Greater prominence is given to the role of Stoicism and sharper attention is paid to some of the thinkers and movements surrounding the major thinkers treated Concerns of semiotics philosophy and literary criticism are elucidated further The original thesis still controversial is now even wider ranging and more salient to current intellectual debate *Love Is Free* JMS Books Authors,2025-01-25 It s hard to believe we have entered the year 2025 with so many of our civil liberties which we fought so hard to achieve now on the cusp of being taken away The political scene in the United States as well as in many other countries has become more polarized in recent years In the aftermath of the US 2024 presidential election many of us have found it difficult to express our fears and concerns Regardless of nationality the authors of JMS Books sought an outlet for their emotions thus this anthology of short stories was created Love Is Free celebrates queer love in all its forms proving love can survive despite adversity Whether a quiet night in or a loud night out in this world or another in the past present or future this collection embraces how enduring same sex love can be in any and every shade under the LGBTQIA umbrella Featuring never before published work from 52 authors Love Is Free is a collaborative effort whose entirety will be a charitable keepsake whose message of love regardless of gender will endure beyond the current political strife threatening to tear us apart Authors included in this anthology are Adam Carpenter Alexandra Caluen Amy Spector Anne Russo Becky Black Carol Holland March Charles Payseur D J Fronimos and Elke Lakey David Connor and E F Mulder Dianne Hartsock Drew Hunt E M Schenker Ellie Thomas Emery C Walters Eule Grey Feral Sephrian Gareth Vaughn Gordon Phillips Hannah Morse

the Prophet An UNSUB what the FBI calls an unknown subject the Prophet terrorized the Bay Area in the 1990s and nearly destroyed her father the lead investigator on the case The Prophet s cryptic messages and mind games drove Detective Mack Hendrix to the brink of madness and Mack s failure to solve the series of ritualized murders eleven seemingly unconnected victims left with the ancient sign for Mercury etched into their flesh was the final nail in the coffin for a once promising career Twenty years later two bodies are found bearing the haunting signature of the Prophet Caitlin Hendrix has never escaped the shadow of her father s failure to protect their city But now the ruthless madman is killing again and has set his sights on her threatening to undermine the fragile barrier she rigidly maintains for her own protection between relentless pursuit and dangerous obsession Determined to decipher his twisted messages and stop the carnage Caitlin ignores her father s warnings as she draws closer to the killer with each new gruesome murder Is it a copycat or can this really be the same Prophet who haunted her childhood Will Caitlin avoid repeating her father s mistakes and redeem her family name or will chasing the Prophet drag her and everyone she loves into the depths of the abyss
