

# WELCOME SPEECH FOR DANCE PERFORMANCE

- A welcome speech is the best way to give an idea about your cultural event.
- You need to welcome first your guest, principal, vice-principal, and then your audience.
- Start your welcome speech by greeting the audience before providing an overview of your function.
- You need to end the speech by introducing the next performer and thank you again for your audience for coming into the program
- In your welcome speech, you should say thank you to your student's parents who encourage their child and take some time to come to the event.
- Through the welcome speech, you can tell what your audience will see in this event, such as singing, dancing, speeches, and many more.
- The welcome speech is given at the start of the program, so thank the teacher who supported you in your preparation.
- You make sure your audience enjoys your speech because if your audience gets bored, then they will not enjoy the program
- Before going to the stage, you should prepare your speech, so you don't stuck or forget any important line in front of the audience.
- You can add some jokes in your welcome speech, so your audience enjoys it, but makes sure no one hurts your joke.
