News and Stationery Trade, Wholesale and Retail, ... in the United States and Canada Carl Nicolaus Caspar, 1889 **Can You Be Gay and Christian?** Michael L. Brown, 2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God's power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family *Transcript of the Enrollment Books* New York (N.Y.). Board of Elections, 1940 *Commercial Fisheries Review*, 1957 *Critical Conversations* Tom Gilson, 2016 Christian parents need to be prepared to answer the myriad challenges teens might hear in today's increasingly pro homosexual culture Why shouldn't gays get married Who says gay sex is wrong Does the Bible actually say there's anything wrong with homosexuality Don't you care that kids are being bullied just for being themselves To start the discussion Gilson provides a brief history of the issues beginning with the sexual revolution of the 1960s He explains how and why cultural attitudes have reversed on this subject in such a short timespan leaving Christians scrambling for answers This is perhaps the most complicated and contentious issue Christians face in today's culture Most churches are poorly equipped to handle it parents are even less prepared The good news is that parents need not have pat answers ready before they dive into conversations with their teens and preteens on this difficult topic Learning together parents struggling through these issues alongside their kids and leading them to biblical answers has relational benefits Answers are important though so manageable nontechnical answers to common questions surrounding this issue are provided as well as a guide to further resources
