The Epistle of Paul the Apostle to the  
Romans

## Chapter 1

PAUL, a servant of Jesus Christ, called  
to be an apostle, separated unto the  
 Gospel of God,  
 1 I have promised afore by his  
 prophets in the holy scriptures,  
 2 That I would send forth unto thee  
 Jesus Christ, which was made of the seed of DA-  
 3 vid according to the flesh: Son of God  
 with power, according to the spirit of  
 promise, by the resurrection from the  
 4 dead:  
 5 By whom we have received grace and  
 apostleship, unto the faith among  
 all nations, for his name:  
 6 Whom ye also are called to be  
 7 of like sort: Christ:  
 8 To all that be in Rome, beloved of  
 God the Father, and of Jesus Christ  
 our Lord, and of peace from God our  
 Father, and of the Lord Jesus Christ,  
 9 Ever, I thank my God through Je-  
 10 sus Christ for you all, that your faith  
 is declared of all men:  
 11 That ye may stand fast in the same  
 word,  
 12 Or God is my witness, whom I serve  
 with a pure conscience, without spot,  
 that without ceasing I make mention of

our fathers,  
26 saying, Go unto this people, and  
say, Hearing ye shall hear, and shall not  
understand; and seeing ye shall see, and  
not perceive:  
27 For the heart of this people is waxed  
gross, and their ears are dull of hearing,  
and their eyes have they closed; lest they  
should see with their eyes, and hear with  
their ears, and understand with their  
heart, and should be converted, and I  
should be glorified.

28 Be it known therefore unto you, that  
the salvation of God is sent unto the  
Gentiles, and that they will hear it.

29 And as the Gentiles have added their  
works, the Jews departed, and had great reason-  
ing among themselves.

30 And as they have known two whole years in  
his own hired house, and received all that  
came in unto him,  
31 and have been in the kingdom of God, and  
teaching those things which concern the  
Lord Jesus Christ, with all confidence,

12 For I long to see you, that I may impart unto you some gift, that your faith may be established.

13 And that I may be allowed to come together with you by the mutual faith both of you and me.

14 For I could not have you ignorant, brethren, that oftentimes I purposed to come unto you, that I might have some fruit among you also, even as among the Romans.

15 I have been bound back to the Greeks, and to the Hebrews; both to the wise, and to the foolish.

16 No, as much as in me is, I am ready to be the gospel to you that are at Rome also.

17 For I am not ashamed of the gospel of Christ, for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.

18 For therein is the righteousness of God revealed from faith to faith: as it is written, The just shall live by faith.

19 For the wrath of God is revealed from heaven against all unrighteousness of men, who hold the truth in unrighteousness;

20 That which may be known of God is manifest in them; for God hath shewed them.

## **Romans For The Practical Messianic:**

*Romans for the Practical Messianic* J. K. McKee, 2015-01-03 Paul's letter to the Romans is easily discerned to be the most influential letter ever written in human history. It has had a significant impact on religious authorities, governmental authorities and philosophies on God, human behavior and societal order. There is no denying the great theological importance that the Epistle to the Romans has had throughout Christian history, especially since the Protestant Reformation. Romans was written against the backdrop of both the Apostle Paul setting his ministry activity westward toward Spain and the Roman Jewish Believers returning to Rome after the Edict of Claudius and finding that things would not exactly be the same with the assembly of Messiah followers being majority non-Jewish. Paul's letter to the Romans was written as a presentation of his theology of the gospel to a group of people with whom he was not directly acquainted but also to issue some admonitions to their circumstances so that all might get along. Romans is a key epistle for Pauline theology to be sure regarding issues surrounding salvation, justification and righteousness, the Jewish people and the Kingdom of Israel, the nations and the Torah of Moses. Yet Romans is also about some significant First Century issues regarding the redemption of the Jewish people and the nations and them functioning together in one Body of Messiah. In much of Romans examination only up until the past few decades, Paul's letter has principally been viewed as a theological treatise and not a letter written to ancient Messiah followers. While there are many useful perspectives and insights offered by those past voices who have considered Romans, the setting of Romans is quite important and most relevant for the broad contemporary Messianic movement. Much of the ancient setting of Romans with the Jewish Believers getting reintegrated into the fellowships of Believers parallels much of what we see in our own faith community. The Messianic movement of today is a majority non-Jewish group of people yet both Jewish and non-Jewish Believers do rely on one another and should be eagerly about loving one another with mutual affection, outdoing one another in showing honor. Romans 12:10 NRSV. This Messianic study on Romans is definitely one produced for the 2010s and for the challenges that the Messianic movement presently faces. TNN Online editor J. K. McKee offers a compelling examination of this letter, appreciating the perspectives of Law-positive Christian traditions which have preceded us but one which is also engaged with some contemporary perspectives. These include proposals present via the New Perspective on Paul studies and thoughts regarding the I of Romans ch. 7 egalitarian views regarding figures such as Phoebe and Junia in Romans ch. 16 and most especially current Messianic handling of the topic of Israel in Romans chs. 9-11. *Romans for the Practical Messianic* is a commentary that should be welcome in many Messianic libraries as it interjects some well-needed information into our developing theology of both Paul and the mission of God. Also included in this commentary is an exposition on Acts 28:11-31, Paul's arrival in Rome. **Philippians for the Practical Messianic** J. K. McKee, 2007-01-01. The letter of Paul to the Philippians is a frequently overlooked and disregarded text in the Bible by today's Messianic community yet it speaks so profoundly to many of the spiritual issues we are facing or will undoubtedly be dealing with in the

near future Perhaps with the most Roman character of any other book of the Apostolic Scriptures New Testament save Paul's letter to the Romans Philippians invites us into a community of First Century Believers on their own in the Roman colony of Philippi These people are surrounded by neighbors who are hostile to both Judaism and the gospel message of Messiah Yeshua Their numbers are few but the Apostle Paul is able to consider them his close and affectionate friends and seldom has a negative word for them The Philippians are generous to his ministry work and Paul has strong feelings for their well being and calling in the Lord The Epistle to the Philippians presents us with many theological and social questions that cannot be avoided by anyone who reads it Above all things the Apostle Paul places Yeshua the Messiah Jesus Christ at the center of his life and urges his Philippian brothers and sisters to do the same He urges the Philippians to be kind generous and significantly different from their neighbors He urges them to show humility and to be about the supreme service of the gospel even unto death He urges unity in the assembly and that all demonstrate God's love to others He affirms the mystery of both the Divinity and humanity of Yeshua Paul also recognizes the value of women in the local congregation as servants and leaders For the modern Messianic Philippians gives us a definitive example of how small fellowships and congregations on their own should function in addition to the huge questions of how we must have a global vision that recognizes the virtues of other ethnicities and cultures while still maintaining an Hebraic view of the Scriptures and God's mission In the commentary Philippians for the Practical Messianic TNN Online editor J K McKee addresses many of the avoided issues that this text asks Messianic Believers He takes into account the First Century Jewish and Roman background of Paul's letter He also considers the large amount of intertextual references that Philippians makes to the Tanach Old Testament deeply embedded in Paul's vocabulary and mannerisms Most importantly he considers the centrality of Yeshua and His completed work for Paul and how all human achievements pale in comparison to who He should be for us as born again Believers who have experienced His transforming power Also included in this commentary is an exposition on Acts 16:6-40 Paul's visit to Philippi

Misunderstanding Galatians M. I. Cha, 2021-09-16 This commentary on Galatians seeks to provide an originalist understanding of the epistle by viewing Paul as a Torah observant apostle of the Messiah who was arguing against compulsory proselyte conversion into Pharisaic Judaism and not the Old Testament law of God in general As such this commentary pays closer attention to the perpetuity of the Old Testament law of God Paul's nuanced use of law *nomos* Jewish oral tradition and the historical context of gentile proselyte conversion in Paul's time The goal of this commentary is to combine the strengths of evangelical hermeneutics and recent advances in Pauline studies to arrive at a more accurate understanding of the original author's intended meaning within his own historical context

Hebrews: a Reader's Companion Michael Cannon Loehrer, 2016-09-27 Hebrews A Reader's Companion is the first in a series of books called The Jewish Christian Letters A decidedly Jewish mind set governed the first century church in the cradle of Christianity There was also a Gentile mind set which has governed ever since leaving most of the New Testament more easily understandable

during these times of the Gentiles However several books in the New Testament are best understood as Jewish Christian documents The historical setting of the first century yields many insights which make for a full interpretation and ready application of the Jewish Christian letters a truth nowhere more apparent than the book of Hebrews which this readers companion to Holy Scriptures offers to bring to life *Paul's Letter to the Romans and Roman Imperialism* Ian E.

Rock,2012-11-07 This book seeks to demonstrate that the Letter to the Romans may be seen as an attempt by a subordinate group to redress actual and potential issues of confrontation with the Empire and to offer hope even in the crisis of facing death Paul demonstrates that it is God's peace and not Rome's peace that is important that loyalty to the exalted Jesus as Lord and to the kingdom of God not Jupiter and Rome leads to salvation that grace flows from Jesus as Christ and Lord and not from the benefactions of the Emperor If the resurrection of Jesus the crucified criminal of the Roman Empire demonstrates God's power over the universe and death the very instrument of Roman control then the Christ believer is encouraged to face suffering and death in the hope of salvation through this power Paul's theology emerges from and is inextricably bound to the politics of his day the Scriptures of his people and to the critical fact that the God who is one and Lord of all is still in charge of the world **Judaism , Menasseh ben Israel and his World** Yosef Kaplan, Henry

Méchoulán, Richard H. Popkin,1989-12-01 This book the results of a conference held in Israel in 1985 brings together many new perspectives on the significance of Menasseh ben Israel's ideas and their relation to Christian millenarian views of the time and Jewish kabbalistic and messianistic thought Scholars from America Europe and Israel working on various aspects of 17th century philosophy and religion present here in 18 essays important new data and interpretations of the Jewish and Christian background and of Menasseh's ideas and their relation to those of Jewish and Christian thinkers of the time Thus this volume provides the grounds for reassessing on the basis of recent scholarship the ferment of messianic and millenarian ideas issuing from Holland and England in the mid 17th century **Religious Dissent in the Roman Empire** Vasily

Rudich,2015-03-24 Religious Dissent in the Roman Empire is the third installment in Vasily Rudich's trilogy on the psychology of discontent in the Roman Empire at the time of Nero Unlike his earlier books it deals not with political dissidence but with religious dissent especially in its violent form Against the broad background of Second Temple Judaism and Judaea's history under Rome's rule Rudich discusses various manifestations of religious dissent as distinct from the mainstream beliefs and directed against both the foreign occupier and the priestly establishment This book offers the methodological framework for the analysis of the religious dissent mindset which it considers a recurrent historical phenomenon that may play a major role in different periods and cultures In this respect its findings are also relevant to the rise of religious violence in the world today and provide further insights into its persistent motives and paradigms Religious Dissent in the Roman Empire is an important study for people interested in Roman and Jewish history religious psychology and religious extremism cultural interaction and the roots of violence Fragments of Christian History to the Foundation

K. Mckee,2012-08-03 It is very easy for today s Messianic Believers to overlook the content of the Pauline Epistles due to their complexities about issues pertaining to the Torah First Century Judaism and the inclusion of the nations in God s plan of salvation Among all of the Pauline letters though 1 2 Thessalonians get almost totally ignored by contemporary Messianic readers Yet 1 2 Thessalonians were some of the earliest of Paul s letters written depicting some of the early conflicts that the Body of Messiah experienced as the good news was being proclaimed in the Mediterranean world 1 2 Thessalonians are quoted in bits and pieces for their teachings on the end times the Second Coming and they are surely employed in debates over a pre or post tribulational gathering of the saints 1 2 Thessalonians includes much more to be examined for certain as the First Century Believers were caught in the middle of often being rejected by the Jewish Synagogue and they were treated with great suspicion and hostility by Greeks and Romans What are some of the important spiritual and theological issues to be explored in 1 2 Thessalonians that can no longer go overlooked for today s Messianic Believers Is the Apostle Paul anti Semitic in 1 Thessalonians 2 14 15 What kind of a religious and or political clash was occurring between the early Messianic movement and the Roman establishment s veneration of Caesar How has 1 2 Thessalonians been interpreted among many contemporary Christians accurately and not so accurately as it concerns the return of the Messiah What about the importance of the doctrine of the resurrection especially for the early non Jewish Believers who were still likely struggling with issues of their pagan upbringing What were some of the challenges that the widely non Jewish Believers of Thessalonica faced as they turned to the Messiah of Israel for salvation and had to decisively be removed from any of the social or religious spheres in which they had once lived What important lessons are there for contemporary Messianic Believers to learn from 1 2 Thessalonians How much have we left these two letters outside of our perview of Bible reading What key insights and admonitions need to be incorporated into our spirituality given some of the

issues and difficulties that we currently face presumably as we live in some of the final decades before the actual return of Yeshua Jesus to Planet Earth TNN Online editor J K McKee elaborates on these and various other key subjects in the commentary 1 2 Thessalonians for the Practical Messianic Also included in this commentary is an exposition on Acts 17 1 15 Paul s visit to Thessalonica **Isaac La Peyrère (1596-1676)** Richard Henry Popkin,1987 **The Letter to the Romans** Stanley E.
