

Welcome to WHS Cheer Tryouts!

Dear Cheerleader Candidate,

We are very excited that you have decided to try out for the WHS cheer squad! Woodinville High School Cheerleaders are representatives of their school, team and coaches. If you become a member of the cheer squad, please know that you will be held to a very high standard. As a cheerleader you will be expected to be respectful, work hard and represent yourself as a leader of our school.

Please note:

Due to current circumstances, our tryout process will be adjusted/altered from how it has run in the past. We have created the 2021-2022 tryout application based on the knowledge and plans we currently have. We appreciate your understanding and flexibility as we know things may change. If it is necessary to make changes to our tryout process we will be sure to communicate this as soon as possible.

***Please note, that signing up does NOT commit you to being a member of the squad, but secures your space in the tryout process.**

Tryout week is a busy week. Make sure to get plenty of rest as you will be working hard to prepare for your final tryout. There will be tryout practices where you will learn a dance, cheer, jumps and be given support with overall technique. It is strongly encouraged that you show up to all practices, as you will receive participation points for each practice you attend. You will need to use your evenings to prepare for your final tryout. The more you practice, the more prepared you will be at tryout time. It will be a great week. Come ready to learn and participate with a smiling face and a positive attitude!

Your application packet must be turned in prior to trying out. Applications can be emailed to Coach Danos. Please read through the packet carefully and fill out all the information. There is a lot of important information for you to read over with your parent(s)/guardian(s) and places for you to sign/initial. There are several attachments needed for your packet to be complete. An incomplete application packet or inaccurate information will result in a loss of points, which may impact your chance of being selected for the 2021-2022 Falcon Cheer Team.

If you have any questions please feel free to email Coach Danos. On the next page you will find an application packet checklist. Use this checklist to ensure that your packet is complete. Prior to turning in your completed application packet, please detach the top two pages, as these are for you to keep and reference throughout tryout week.

Contemporary Introduction to Sociology was the first truly new introductory sociology textbook in decades. Written by two leading sociologists at the cutting edge of theory and research, the text reflected the idioms and interests of contemporary American life and global social issues. The second edition continues to invite students to reflect upon their lives within the context of the combustible leap from modern to postmodern life. The authors show how culture is central to understanding many world problems as they challenge readers to confront the risks and potentialities of a postmodern era in which the futures of both the physical and social environment seem uncertain. As culture rapidly changes in the 21st century, the authors have broadened their analysis to cover developments in social media and new data on gender and transgender issues.

The Fall of a Sparrow Ann Pasternak Slater, 2020-11-03. *The Vivien Eliot Papers* is a groundbreaking new biography of Vivien Eliot comprising two sections: her Life and her Papers. Based on a rich repository of primary evidence, much only recently uncovered, it corrects the accidental inaccuracies and deliberate distortions that have circulated around one of Bloomsbury's most gossiped-about enigmatic couples while unveiling fascinating new discoveries that give a more balanced understanding of both partners. For the first time, too, immaculate texts of Vivien's own writing are presented carefully distinguished from Eliot's input, which demonstrate a fresh and wry talent all of her own.

The League of Wives Heath Hardage Lee, 2019-04-02. With astonishing verve, *The League of Wives* persisted to speak truth to power to bring their POW/MIA husbands home from Vietnam. And with astonishing verve, Heath Hardage Lee has chronicled their little-known story: a profile of courage that spotlights 1960s-era military wives who forge secret codes with bravery,chutzpah, and style. Honestly, I couldn't put it down. Beth Macy, author of *Dopesick* and *Factory Man*. Exhilarating and inspiring. Elaine Showalter, *Washington Post*. The true story of the fierce band of women who battled Washington and Hanoi to bring their husbands home from the jungles of Vietnam. On February 12, 1973, one hundred and sixteen men who just six years earlier had been high-flying Navy and Air Force pilots shuffled, limped, or were carried off a huge military transport plane at Clark Air Base in the Philippines. These American servicemen had endured years of brutal torture, kept shackled and starving in solitary confinement in rat-infested mosquito-laden prisons, the worst of which was The Hanoi Hilton. Months later, the first Vietnam POWs to return home would learn that their rescuers were their wives: a group of women that included Jane Denton, Sybil Stockdale, Louise Mulligan, Andrea Rander, Phyllis Galanti, and Helene Knapp. These women, who formed The National League of Families, would never have called themselves feminists, but they had become the POW and MIAs' most fervent advocates, going to extraordinary lengths to facilitate their husbands' freedom and to account for missing military men by relentlessly lobbying government leaders, conducting a savvy media campaign, conducting covert meetings with antiwar activists, and most astonishingly, helping to code secret letters to their imprisoned husbands. In a page-turning work of narrative nonfiction, Heath Hardage Lee tells the story of these remarkable women for the first time. *The League of Wives* is certain to be on everyone's must-read list.
