Taylor-Robinson, Nehemia Geva, 2023 There are many theories as to why women remain severely underrepresented in democratic governments Perhaps voters do not consider women to be capable leaders or maybe party elites obstruct women s paths to office because they don t believe that they are electable But if these attitudes are hurdles standing in the way of women being elected to office where did they develop In The Image of Gender and Political Leadership Michelle M Taylor Robinson and Nehemia Geva bring together parallel experiments conducted in countries around the world to compare the ways in which young adults view gender and leadership Together the chapters in this book present findings from on site experiments conducted with over 6 000 young adult students of highly diverse socioeconomic backgrounds in eight countries that have varying levels of experience with women in government Canada Chile Costa Rica England Israel Sweden the United States and Uruguay Overall the book finds little evidence of traditional gender stereotypes that would limit young people s support for women as political leaders Women candidates are accepted as leaders by the participants indicating young adults approval of women s ability to hold diverse posts win votes and manage

stereotypically masculine policy areas The book also finds that young adults are very responsive to political party regardless of gender they tend to favor candidates from their preferred parties With an in depth cross national perspective Taylor Robinson and Geva provide empirical evidence to dispel myths about what contributes to the low election rates of women and importantly investigate logical steps to achieve gender parity **Cincinnati Magazine** ,1993-12 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Never Forget** Sonni Lagodinski,2012-02-06 The sequel to Forever and Always is a nail biting novel full of passionate love tragedies and twists and turns as teenage lovers fight for each others hearts Sara Young after the torture and hardship of being kidnapped by Dave must return to every day living as she had before Sara is faced with challenges of life and must learn how to overcome those challenges Tragedy strikes again after a long argument with Caleb Pierce High school graduation and college weigh heavily on Sara s mind as Lili her best friend in California pushes her to move back and take on UCLA with Lili Will Sara be able to handle all the questions and decisions that must be answered and made in a short amount of time Will Sara make the right decision even if it means leaving behind the ones she loves **Name Dropping** Jane Heller,2016-04-26 This tale of murder and mistaken identity in a Manhattan apartment building is a rollicking and delectable read by a New York Times bestselling author People A teacher at a fancy Manhattan preschool Nancy Stern spends her days cleaning spills moderating bathroom breaks and preventing that one kid in the back of the room from eating glue With America s precious future in her hands Nancy rises to the occasion but sometimes she yearns for something a little more glamorous Meanwhile another woman by the name of Nancy Stern has moved into her apartment building and as if the constant mail mix ups aren t annoying enough every mistaken delivery and misdirected message reminds her that the other Nancy Stern is outshining her by far That pile of exclusive party invitations spilling out of her mailbox Not for her The stunning coat that s arrived straight from the cleaners Not a chance And that smooth voice on the other end of the line calling to ask Nancy out on a blind date Now that is something the penthouse floor Nancy Stern doesn t have to find out about But while her night out with the hunk stirs up a romance The other Nancy gets murdered And suddenly the real identity of not just the killer but the intended victim is a mystery in desperate need of solving Very funny When teacher Nancy accepts a blind date meant for the other Nancy things rapidly spiral out of control Murder and mayhem follow all in Heller s trademark witty and entertaining style Library Journal A charmingly improbable love story USA Today **Tellers of Tales, Singers of Songs** Soledad S.
