Komarnicki,2004 America s classrooms need a revolution in character development and the step by step program in this book equips educators parents and other key role models with tools to bring it about **Sacred Senses in Sacred Space** John Lawrence Darretta, Ph.D.,2022-09-12 Entering a church our senses are sparked We see candlelight the colorful windows and statues We smell the faint burning wax and incense We touch our foreheads with holy water and our knees to the floor During Mass we hear bells and the choir singing and taste the sacrament Some would say we are overwhelmed with physical objects but not spiritual essence However how does one know the spiritual essence if not through the physical objects Knowledge comes through the senses of sight hearing smell taste and touch We achieve understanding and move further into spiritual awareness Our senses communicate symbols that are physical signs of the abstract the spiritual and the metaphysical SACRED SENSES IN SACRED SPACE contributes to a greater understanding and reverence for sacred objects as perceived through the senses designed for the layman rather than an academic study of the historical or liturgical origins of sacred objects and images Sacred Senses guides the reader through a church on a meditative journey down the sanctuary s central aisle Along the way it reveals what we see hear smell taste and touch which moves us from the physical to the spiritual It begins with an introductory chapter on using your senses and recognizing signs in a sacred space The book is organized according to the five senses sight hearing smell taste and

touch Listed under each specific sense are various objects and practices that we experience in church with a page of description definition background and meditative comments and a scriptural reference Each chapter showcases a relevant photograph and ends with a pertinent quote or poetic verse so that the sacred objects are revealed and revered Together the pages quickly explain and show each object with its beauty meaning and purpose within the sacred space Teaching the Rite of Christian Initiation for Adults RCIA and Religious Education programs for adults and youths I discovered students of the Catholic faith must know the truth about the smells and bells of the Catholic Church and their spiritual significance Yet I have known Catholics who do not fully understand why we have statues fonts tabernacle ringing bells burning candles swirling incense and more Sacred Senses in Sacred Space is an excellent devotional and educational experience for use in RCIA and Religious Education programs book clubs and for inquisitive audiences A Concise Encyclopedia of Legal Quotations Elizabeth Frost-Knappman,2003 Bestsellers C.
