*Teaching Common Sense* Linda Kulman, Henry Kissinger,2016-06-07 How is critical thinking taught How will the next generation cope with an ever changing and increasingly complex world These are questions that the Grand Strategy program at Yale seeks to address The Brady Johnson Program in Grand Strategy seeks to revive the study and practice of grand strategy by devising methods to teach that subject at the graduate and undergraduate levels by training future leaders to think about and implement grand strategies in imaginative and effective ways and by organizing public events that emphasize the importance of grand strategy The program defines grand strategy as a comprehensive plan of action based on the calculated relationship of means to large ends Never an exact science grand strategy requires constant reassessment and adjustment Flexibility is key Traditionally believed to belong to and best developed in the politico military and governmental realms the concept of grand strategy applies and ISS believes is essential to a broad spectrum of human activities not least those of international institutions non governmental organizations and private businesses and corporations For fifteen years the Grand Strategy program has been cultivating leadership skills of undergraduates and graduate students of Yale

University In Linda Kulman's compelling book we learn about this remarkable program from the inside sharing the stress of the murder boards the revelation of applying the classics to current geopolitical situations and the crucial importance of fast decision making under duress Teaching Common Sense weaves together on site reporting archival research and original survey data into an intellectual history of the Grand Strategy program *A Modern Heretic and a Traditional Community* Jeffrey S. Gurock, Jacob J. Schacter, 1997-02-03 Mordecai Kaplan the founder of the Reconstructionist movement was the most influential and controversial radical Jewish thinker in the twentieth century This book examines the intellectual influences that moved Kaplan from Orthodoxy and analyzes the combination of personal strategic and career reasons that kept Kaplan close to Orthodox Jews posing a question crucial to the understanding of any religion Can an established religious group learn from a heretic who has rejected its most fundamental beliefs *Resources in Education*, 2001-10 *Bad Faith* Andrew Feffer, 2019-01-08 This history of an anticommunist hysteria that swept the 1940s New York City school system captures the mania of the time and will shock readers The Times Union In summer 1940 as war spread across Europe and America pulled itself out of the Great Depression New York City was suddenly convulsed Targeting the city's municipal colleges and public schools the state legislature's Rapp Coudert investigation dragged hundreds of suspects before public and private tribunals to root out a perceived communist conspiracy to hijack the city's teachers unions subvert public education and indoctrinate the nation's youth Drawing on the vast archive of Rapp Coudert records *Bad Faith* provides the first full history of this witch hunt which lasted from August 1940 to March 1942 Anticipating McCarthyism and making it possible the episode would have repercussions for decades to come In recapturing this moment in the history of prewar anticommunism *Bad Faith* challenges assumptions about the origins of McCarthyism the liberal political tradition and the role of anticommunism in modern American life With roots in the city's political culture Rapp Coudert enjoyed the support of not only conservatives but also key liberal reformers and intellectuals who well before the Cold War raised threats to national security joined in accusing communists of bad faith and branded them enemies of American democracy This study of the Rapp Coudert inquisition raises difficult questions about the good faith of the many liberals willing to aid and endorse the emerging Red scare as they sacrificed principles of open debate and academic freedom in the interest of achieving what they believed would be effective modern government based on bipartisanship and a new and seemingly permanent economic prosperity *American Education*, 1976 *Guidelines: Curriculum Development for Aesthetic Education* Manuel Barkan, Laura H.
