Anything But Average, an Autobiography David Boyce, 2017-12-07 David was always meant to explore the back roads of the American southwest For him the more remote the better and the more beautiful the more intellectually enticing He always wanted to see for himself what those empty places on the map actually looked like As a teenager he hiked across Yosemite harvested crops up the coast and climbed major peaks in three states As a Navajo speaker he spent many years on the Indian Reservation as a missionary and as a trader Back in Utah he began studying the geology of the Colorado Plateau He has worked many jobs including small business owner miner prospector and assayer But the job of geologist tour guide for the local university was meant for him A visitor on one of his tours described him as an inspiring example of a person following his interests until he found his calling True David feels that sharing the southwest is his destiny If he could live anywhere he wanted he would choose southern Utah *Autocar* ,2002-07 **Sports Car Market magazine - May 2008** ,

Boating ,2006-06 *Who's Your Commodore* David Wardlow, 2017-12-16 This is a true story about becoming a member of a Southern California yacht club and later serving on the board of directors as a director through to the commodore s position of being in charge The story expresses the frustration of the past with no true direction and the changing of the guard to a new and steady course This is not about an exercise in seamanship but of seniorship With the climate of our current political system changing in this country it seemed there was a need to share this story Most boards are governed by Robert s Rules of Order and their bylaws supported by their SOPs standard operating procedures to keep continuity for their future Board differences are their types nonprofit business for profit homeowner association philanthropy etc Basically they are here for solving and resolving their issues in a manner with control They are not for creating chaos It is interesting that personalities overshadow this reality when all the tools are in place A decision was made to put this in writing to purge the soul hopefully shedding some light on what can happen when in control versus when out of control This is a four year journey With that being said this plays to a much larger audience than just yacht clubs **Automotive News** ,2007
