What Christians Believe:

What Christians Believe at a Glance Rose Publishing, 2010 Summaries and comparisons of basic Christian beliefs on topics such as doctrines baptism end times and life after death Provided by publisher **What Christians Believe** Georgia Elma Harkness, 1965 The Faith Charles Colson, Harold Fickett, 2008-08-19 Rightly understood and rightly communicated the Christian faith is one of great joy It is an invitation to God's kingdom where tears are replaced by laughter and longing hearts find their purpose and their home This is the heart of the gospel God's search to reclaim us and love us as his own But have we truly grasped this Those of us who have disdained Christianity as a religion of bigotry have we repudiated the genuine article or merely demonstrated our own prejudice and ignorance Those of us who are Christians have we deeply apprehended the mission of Jesus and do our ways and character faithfully reflect his beauty From the nature of God to the human condition to the work of Jesus to God's coming kingdom and all that lies between how well do we understand the foundational truths of Christianity and their implications The Faith is a book for our troubled times and for decades to come for Christians and non Christians alike It is the most important book Chuck Colson and Harold Fickett have ever written a thought provoking soul searching and powerful manifesto of the great historical central truths of Christianity that have sustained believers through the centuries Brought to immediacy with vivid true stories here is what Christianity is really about and why it is a religion of hope redemption and beauty Creed Adam Hamilton, 2016-11-29 We're all searching Sometimes the search is easy simply type a question and the answer pops up But sometimes our questions are complicated and the answers are difficult to see and harder to articulate How do we discover and examine the truths that give meaning and purpose to life Adam Hamilton believes that some powerful answers are contained in the Apostles Creed an early statement of foundational Christian beliefs In this book Hamilton considers important questions of life reality and truth He explores not only what Christians believe but also why they believe it and why it matters Chapters include God Jesus Christ The Holy Spirit The Church at the Communion of Saints The Forgiveness of Sins The Resurrection of the Body Creed What Christians Believe and Why is also part of a six week church wide program that includes a Leader Guide DVD and youth and children resources **Guide to What Christians Believe** James S. Bell, 2011 There are hundreds of variations within Christianity and this guide will help you untangle the differences to find the basic beliefs that most Christians share Overviews of doctrine church history and church and culture are included to help explain how and why Christians differ on a variety of beliefs **What Christians Believe** Richard Harries, 1981 **What Christians Believe** Moody Publishers, 1952-09-25 An important answer book for everyone from seeker to long time believer systematically covering the fundamentals of Bible doctrine and Christian living No-Brainer's Guide to What Christians Believe James S. Bell, Jr., James S. Bell, Stan Campbell, 2002 For Christians who want to understand more about their faith this is a useful introduction that is also a helpful Christian doctrine for newcomers **What Christians Believe** Anna Wierzbicka, 2019-02-28 Many people

today both Christians and non Christians are confused about or unaware of the essentials of Christian faith In this book Anna Wierzbicka takes a radically new approach to the task of communicating what Christians believe to the widest possible audience The Story of God and People the heart of the book sets out the core tenets of Christian faith in narrative form using simple language that is accessible to anyone even those with no familiarity with Christianity or Christian vocabulary The Story is not only simple but also universal though written in English it is not phrased in full English English as we know it today shaped by history culture and tradition but in Minimal English Minimal English contains only those 400 or so English words that can be translated into any other language essentially it corresponds to the shared core of all languages In the introduction to the book Wierzbicka explains Minimal English and minimal languages in general and in The Story of God and People that follows she demonstrates the effectiveness of Minimal English as a tool for global understanding At the same time the use of Minimal English allows her not only to retell the Christian story in a strikingly new way but also to rethink its meaning bringing into relief its internal cohesion logic and beauty

What Christians Believe Alan F. Johnson, Robert E. Webber, 1993 This book offers a biblical and historical summary of a general theology that affirms the unity of the various confessions as well as the validity of diversity in matters of secondary importance

What All True Christians Believe R.S. Trifulescu, 2021-10-20 The ultimate goal of this work is to advance Christian unity Christians are free to disagree with other believers about certain matters of faith and practice that ought not to break up their unity or fellowship But they will stand together on certain key doctrines and beliefs that are nonnegotiable This book highlights those core Christian teachings that demand assent in order for someone to be called a true follower of Christ A considerable amount of space is also devoted to the aspects of these central tenets that might include some flexibility of understanding without compromising the integrity of scriptural truth and the Christian tradition 114

What Christians Believe Hans Schwarz, 1987-01-01 This classic text a brief yet powerful exposition of the Apostles Creed introduces in a fully ecumenical way the basic beliefs that have animated and informed the historical faith of Christians Renowned theologian Hans Schwarz not only corrects common misunderstandings of core credal convictions He also guides Christians into the exciting quest for understanding the faith they profess What Christians Believe deals with the Christian faith in relation to contemporary challenges such as secularism and science the holocaust and nuclear war in a readable way without opaque theological jargon It is an excellent teaching resource for adult discussion groups and for individuals who desire to grow in knowledge and faith John Tietjen Bishop of the Metropolitan Chicago Synod of the ELCA Schwarz's well written book would be helpful for both congregational groups and individual readers His answers are not simplistic nor does he convey the notion that all questions can be satisfactorily resolved He does however draw the reader into the heart of the issues so that one can wrestle with them I heartily recommend this book Herbert Chilstrom Bishop of the Evangelical Lutheran Church in America Hans Schwarz is Professor of Systematic Theology and Contemporary Issues and Director of the Institute of Protestant Theology at the University of
