Easy Step** Sally A. Owen Esquire,2008-11 The book is about abuses of the domestic violence laws I am an attorney in
Pennsylvania I was a victim of domestic violence As a former victim of Domestic Violence any violence makes me sad As a
conscientious attorney the widespread abuse of the Domestic Violence Laws makes me sick Victims of domestic violence
need help They need more shelters and more counselors They need a criminal justice system that will punish the abusers and
put them in jail HOWEVER this has to be done through the criminal justice system and through due process It has to be
taken out of civil court Men s rights have to be protected as well as the women s rights The current system is being seriously
abused and the potential for continuing abuse is astronomical Vindictive women and unscrupulous attorneys have made a
total mockery out of the current system and way too many innocent men are serving a life sentence because of it
