Paddle Your Own Canoe Nick Offerman, 2014 **Jesus the Great Philosopher** Jonathan T. Pennington, 2020-10-20 Many of us tend to live as though Jesus represents the spiritual part of our lives We don t clearly see how he relates to the rest of our experiences desires and habits How can Jesus the Bible and Christianity become more than a compartmentalized part of our lives Highly regarded New Testament scholar and popular teacher Jonathan Pennington argues that we need to recover the lost biblical image of Jesus as the one true philosopher who teaches us how to experience the fullness of our humanity in the kingdom of God Jesus teaches us what is good right and beautiful and offers answers to life s big questions what it means to be human how to be happy how to order our emotions and how we should conduct our relationships This book brings Jesus and Christianity into dialogue with the ancient philosophers who asked the same big questions about finding meaningful happiness It helps us

rediscover biblical Christianity as a whole life philosophy one that addresses our greatest human questions and helps us live meaningful and flourishing lives

*How to Hygge* Signe Johansen, 2017-01-03 An uplifting heart warming life enriching primer for adopting the simple and satisfying Nordic lifestyle from the author of *Scandilicious Baking* Nigel Slater author of *A Thousand Feasts* The Danish coziness philosophy is fast becoming the new French living in terms of aspirational lifestyle books and blogs There are countless viral articles comparing the happiness levels of Americans versus Danes Their homes are more homey their people are more cheerful It s an attitude that defies definition but there is a name for this slow moving stress free mindset hygge pronounced hoo ga Hygge values the idea of cherishing yourself candlelight bakeries and dinner with friends a celebration of experiences over possessions as well as being kind to yourself and treasuring a sense of community *How to Hygge* by chef and author Signe Johansen is a fresh informative lighthearted fully illustrated how to guide to hygge It s a combination of recipes helpful tips for cozy living at home and cabin porn essential elements of living the Danish way which incidentally encourages a daily dose of healthy hedonism Who can resist that Throughout Johansen s tone is an embodiment of the philosophy she encourages readers to appreciate the small moments taking baby steps and savoring the ride rather than racing to the finish line Readers interested in simplifying their homes and lives are sure to find plenty of practical recipes and suggestions here that they can implement immediately Publishers Weekly Full of inspiration for ethical conscious living *Making Roots*

*Compromising Positions* Leslie Dorrough Smith, 2020 *Compromising Positions* argues that political sex scandals aren t really about sex Rather they are a form of cultural theater moments of highly visible public storytelling that use racial and gendered symbols to create a collective sense of national worth and strength The book shows that Americans condemn or excuse the sexual indiscretions of their politicians depending on the degree to which those politicians reinforce longstanding evangelical symbols associated with American values and a Christian nation

*Audiobooks as Artifacts* David Seinberg, 2024-06-19 Their ever evolving popularity notwithstanding audiobooks remain a rather undertheorized phenomenon The prevailing handful of existing studies seem to have adopted an inherently historicist approach which fails to identify and scrutinize their aesthetic importance Thus rather than regarding them as mere recorded versions of existing literary works this book explores them as the unique products of a hitherto undefined artistic genre As performance based aural artefacts the very act of listening to them is rendered an aesthetic experience in its own right By effectively embracing an interdisciplinary approach and introducing a set of aesthetic questions and philosophical conundrums ignited by a paradigmatic application of the New Institutional Theory of Art this study establishes a new aesthetic category which in turn not only classifies audiobooks as artworks to all intents and purposes but also generates the criteria and parameters for evaluating their merit Since the proof of the proverbial pudding is purportedly in the eating in surveying a series of concrete case studies each highlighting different degrees of complexities this study mainly examines first person narratives as the most natural medium for the aesthetics of the audiobook As such the investigation herein

provides one with comparative close listenings appropriately analyzing and debating their aesthetic properties Finally in exploring what this study identifies as one s informed intuition and its role in the craft of casting audiobooks this study also proposes a new understating of how aesthetic appreciation works in action
