Pagan Babies and Other Catholic Memories Gina Cascone,1986 *Pagan Babies* Gina Cascone,1985-12-01 The author looks back humorously on her experiences in Catholic school including her first confession and first communion

Pagan Babies Gina Cascone,2003-05-20 The author looks back humorously on her experiences in Catholic school including her first confession and first communion **America's Church** Thomas A. Tweed,2011-08-01 The National Shrine in Washington DC has been deeply loved blithely ignored and passionately criticized It has been praised as a dazzling jewel and dismissed as a towering Byzantine beach ball In this intriguing and inventive book Thomas Tweed shows that the Shrine is also an illuminating site from which to tell the story of twentieth century Catholicism He organizes his narrative around six themes that characterize U S Catholicism and he ties these themes to the Shrine s material culture to images artifacts or devotional spaces Thus he begins with the Basilica s foundation stone weaving it into a discussion of brick and mortar Catholicism the drive to build institutions To highlight the Church s inclination to appeal to women he looks at fund raising for the Mary Memorial Altar and he focuses on the Filipino oratory to Our Lady of Antipolo to illustrate the Church s outreach to immigrants Throughout he employs painstaking detective work to shine a light on the many facets of American Catholicism reflected in the shrine Between Heaven and Earth Robert A. Orsi,2013-10-31 *Between Heaven and Earth* explores the relationships men women and children have formed with the Virgin Mary and the saints in twentieth century American Catholic history and reflects more broadly on how people live in the company of sacred figures and how these relationships shape the ties between people on earth In this boldly argued and beautifully written book Robert Orsi also considers how scholars of religion occupy the ground in between belief and analysis faith and scholarship Orsi infuses his analysis with an autobiographical voice steeped in his own Italian American Catholic background from the devotion of his uncle Sal who had cerebral palsy to a crippled saint Margaret of Castello to the bond of his Tuscan grandmother with Saint Gemma Galgani Religion exists not as a medium of making meanings Orsi maintains but as a network of relationships between heaven and earth involving people of all ages as well as the many sacred figures they hold dear Orsi argues that modern academic theorizing about religion has long sanctioned dubious distinctions between good or real religious expression on the one hand and bad or bogus religion on the other which marginalize these everyday relationships with sacred figures This book is a brilliant critical inquiry into the lives that people make for better or worse between heaven and earth and into the ways scholars of religion could better study of these worlds *Sting and Religion* Evyatar Marienberg,2021-01-06 On the back cover of one of his most groundbreaking solo albums *Nothing like the Sun* of 1987 Sting Gordon Matthew Sumner b 1951 in Wallsend UK somberly stands close to a statue of Mary the mother of Jesus The album was released a few months after his own mother Audrey died The picture was taken on the island of Montserrat where he was recording the album apparently on the day of her death I said goodbye to my mother as I had a recording date in

Montserrat and she died a week later When asked by the author if his mother was particularly connected to Mary and if this was why he chose this image he replied No but I did This evocative photograph and Sting s quick answer encapsulate the two pillars of this book a microhistory of a specific British Catholic parish in the 1950s 60s and the impact that growing up there had on Sting s artistic output And beyond that this book opens a window onto the influence of Catholic education and imagination on millions of less famous people who had similar upbringings *Confessions of a Crabgrass Cowboy* William Schwarz,2007-09 *Confessions Of a Crabgrass Cowboy* is a tale about coming of age in a fresh and eccentric environment called suburbia As a personal memoir the book details the vicissitudes of replacing playground bullies with Playboy Playmates while simultaneously preparing daily for the Armageddon we were promised was right around the corner *Confessions Of a Crabgrass Cowboy* also chronicles the cultural quirks of the era itself Dick and Jane CONELRAD Charles Atlas Tupperware R X Ray spectacles coon skin caps and anatomically correct dolls are but a handful that we now so closely and warmly associate with this distinctive period in American history Were Dick and Jane the only children in American without a surname Did Battle Creek Michigan really exist Were the prodigious privates of John Dillinger really placed briefly on display at the world renowned Smithsonian Institute Were the lyrics of the Kingsmen s 1963 one hit wonder Louie Louie as obscenity laced as many believed What hapless sitcom blew the lid off the unspoken toilet taboo by exposing millions of viewers to the interior of an American bathroom for the first time So saddle up for a leisurely ride back in time and discover what all the fuss was really about *Catholic Cults and Devotions* Michael P. Carroll,1989-04-01 Michael Carroll is the first to bring psychoanalytic theory to bear on a range of Catholic cults and devotions including the Rosary the Angelus the Stations of the Cross the Blood Miracles of Naples the Stigmata the Forty Hours the Brown Scapular and the Sacred Heart of Jesus Carroll assembles a great deal of historical information that until now has been widely scattered in obscure publications He suggests why such devotions are absent from the Protestant tradition and argues for a new and more subtle appreciation of the role that Italian Catholicism played in shaping Catholicism generally **Storytelling Legacy** Sharon Wegscheider-Cruse,2022-07-26 A compelling life journey told in a mosaic of stories from one of the leaders of the Adult Children of Alcoholics movement Communication is more than an exchange of information Words can inspire teach important lessons and woven together offer a legacy to those that we love for generations to come Sharon Wegscheider Cruse who has brought hope and healing to millions of people through her work as a family therapist co founder of the National Association of Children of Alcoholics acclaimed author and conference presenter invites readers to join her as she recounts her remarkable life Included are tales of celebrity culture humor history questions relationships surprises spirituality traditions and travels She then invites readers to then go deep within to realize the wonder of their own life experiences and to craft their own legacy of stories Everyone has a story what is yours **Leadership Development for Females Who Went to Catholic Grade School** Patricia Zander,Eric Hummel,1998-09 **First Things** ,2003 **Catholics in the Movies**

of moving from steerage to the suburbs in three generations That sense of dislocation came early for Gina as her family moved from the kind of neighborhood where old men play bocce and the pet frogs are named Nunzio to one where Barbies and frozen food prevail And though Gina s brains got her into the top high school she quickly made the lonely discovery that she was the only one there whose name ended in a vowel In our overly pasteurized and homogenized world there s a real hunger to find and celebrate our connection to old world roots and traditions Life al Dente abounds in hilarious stories but also rewards readers with a genuine and poignant contemplation of cultural identity **Ingrained Habits** Mary Ellen O'Donnell, 2018-03-09 Born Catholic Raised Catholic Americans across generations have used these phrases to describe their formative days but the experience of growing up Catholic in the United States has changed over the last several decades While the creed and the sacraments remain the same the context for learning the faith has transformed As a result of demographic shifts and theological developments children face a different set of circumstances today from what they encountered during the mid twentieth century Through a close study of autobiographical and fictional texts that depict the experience Ingrained Habits explores the intimate details of everyday life for children growing up Catholic during the 1940s 50s and 60s These literary portrayals present upbringings characterized by an all encompassing encounter with religion The adult authors of such writings run the gamut from vowed priests to unwavering atheists and their depictions range from glowing nostalgia to deep seated resentment however they curiously describe similar experiences from their childhood days in the Church *The Cumulative Book Index* ,1982 A world list of books in the English language *Books in Print* ,1991
