Performance Mark Phillips,2019-11-11 Practitioners operate in a necessary reality We work in a space where project
performance is above theory or methodology In the best environments delivery and an affirmative culture are what matter
most In the worst it is politics and survival In any environment we are challenged to adopt best practices and adapt our style
to the environment in which the project is occurring This is a book about those best practices and practitioner experiences It
is a must have reference and guide book for project managers general managers business leaders and project management
researchers This book is the result of the hard work and dedication of more than 35 authors from more than 15 countries

across four continents It brings a diversity of experience professional and personal It includes practitioners leading academics renowned theorists and many who straddle those roles The chapters cover experiences in software large scale infrastructure projects finance and health care to name a few The chapters themselves take many forms Check out the table of contents to get a deeper sense of the topics included All provide real world guidance on delivering high performing projects and show you how to build lead and manage high performing teams The Practitioners Handbook of Project Performance is complete in itself It can also be an enticing start to an ongoing dialogue with the authors and a pleasurable path to get deeper into the subject of project performance Find your favorite place to begin learning from these chapters to begin taking notes and taking away nuggets to use in your everyday But don't stop there Contact information and further resources for this diverse team of experts authors are found throughout The Practitioners Handbook is a modern guide to the leading edge of project performance management and a path to the future of project delivery [InfoWorld](#) ,1987-01-26 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects [Jeep 4X4 Performance Handbook](#) Jim Allen, The world of high performance Jeeping can be a challenge With the used Jeep market growing new models appearing and an aftermarket constantly offering new and better bolt on parts and accessories there have never been so many options for the off road Jeep lover Now in a new second edition Jeep 4x4 Performance Handbook debunks the myths and eliminates the mystery of getting the most out of your Jeep through the thorough research and expertise of author and Jeep expert Jim Allen He explains the bolt on parts swaps and modifications that will give the most bang for the buck whether you hit the trail in a CJ or a Wrangler TJ and YJ a Cherokee or a Liberty or one of the many classic and vintage Jeeps available From bumper to bumper this book covers it all improving street performance and off road toughness towing ability and suspension brakes and electrical systems and the all important safety equipment and modifications Jeep 4x4 Performance Handbook will get you on the road and off without breaking the bank of wasting time in the garage [InfoWorld](#) ,1989-05-15 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects
