John Currin: New Paintings Wells Tower, 2011-09-13 A catalogue of new work by American artist John Currin one of the world's foremost figurative painters John Currin's work draws upon a broad range of cultural influences that include Renaissance oil paintings 1950s women's magazine advertisements and contemporary

politics Labeled as mannerist caricaturist radical conservative or satirist Currin continues to confound expectations and evade categorization While his virtuosic technique is indebted to the history of classical painting the images engage startlingly contemporary ideas about the representation of the human figure Currin paints challengingly perverse images of female subjects from lusty doe eyed nymphs to more ethereal feminine prototypes With his uncanny ability to locate the point at which the beautiful and the grotesque are in perfect balance he produces subversive portraits of idiosyncratic women in conventional settings This much anticipated volume comes four years after the definitive John Currin and it features an interview with the artist by Angus Cook and six short fiction essays by Wells Tower *Cecily Brown* Cecily Brown, Suzanne Cotter, Caoimhín Mac Giolla Léith, Modern Art Oxford, 2005 Cecily Brown is among the most talented painters of her generation With a formal repertoire indebted as much to porn magazines comic books and Hollywood movies as it is to the work of De Kooning Bacon and Hogarth Brown not only addresses the subject of painting as inextricable from its own history she engages with the experience of painting as an intensely physical act Published to accompany Brown s first major exhibition in Britain at Modern Art Oxford this fully illustrated book features reproductions of key paintings from the last five years Two new essays by the exhibition s curator Suzanne Cotter and writer and critic Caoimhin Mac Giolla Leith offer an overview of Brown s work to date within the context of current painting **BOOK JACKET** **Rose Wylie: painting a noun...** Rose Wylie, 2020-03-31 Celebrated British painter Rose Wylie whose works are at once tactile cerebral and humorous often draws her influence from a wide range of popular culture Here her newest body of work references memories from her own life and mimics the way memories evolve and change over time Wylie s source material is culled from the vast visual world around her ranging from sixteenth century British estates to Serena Williams and the French Open While initially these may seem random or aesthetically simplistic through the nuanced use of humor language and compositional structure Wylie creates wittily observed and subtly sophisticated meditations on the nature of memory and visual representation itself in line with the paintings she has become known for over the course of her career A new essay by art critic Michael Glover explores the remarkable painter whose work has spark assurance brash humor an extraordinary freewheeling eclecticism that seems to be just as ready to suck in references to the art of Ptolemaic Egypt and Roman portraiture as to pay homage to the films of Quentin Tarantino and the late paintings of Philip Guston Part of David Zwirner Books s Spotlight Series this book features Wylie s newest paintings and drawings and is published on the occasion of the artist s 2020 solo exhibition of these works at David Zwirner Hong Kong *Jack Vettriano: Studio Life* Jack Vettriano, 2008-03-28 Jack is one of the UK s most popular and yet most controversial contemporary artists His pictures sell for a record amount of money the paintings in his exhibitions are always sold out before the opening and *The Singing Butler* made history for being the most expensive painting by a Scottish living artist ever to be sold at auction And surely the same painting is one of the world s most replicated fine art images Here for the first time we get up close and personal with Jack in the studio We see how he works in his studios in

Scotland London and Nice and we see how these locations influence his paintings The book also includes brand new paintings never before seen We analyse Jack s own cultural influences and the influences his work has come to have on popular culture in turn With outstanding and revealing photography by Jillian Edelstein and a foreword from friend and fellow son of Fife author Ian Rankin this is a book to delight Jack Vettriano s fans **Contemporary British Painting**
