Painting The Corners Off Center Baseball Fiction:

Painting the Corners Bob Weintraub, 2017-10-31 Bob Weintraub's marvelous collection of baseball stories goes directly to the core of what the game does for us when we watch it being played on the field and shows how its heroes and villains can reach into our lives and remain a part of us for the rest of our days. The stories are told from various perspectives including those of the player, manager, general manager, coach, scout, owner, writer, broadcaster, and fan. In *Knuckleball* a manager is beside himself when he can't let his star knuckleball pitcher start the seventh game of the World Series because the only catcher he's ever had in the big leagues suddenly goes down with an injury. The team from Alcatraz in *The Way They Play* is Criminal has a bag full of dirty tricks waiting to spring on its San Quentin rivals and it uses them all. A father on a college tour with his daughter happens upon the very same autographed baseball he saw a friend catch in Fenway Park's bleachers thirty years earlier and learns in *The Autograph* how a twist of fate has brought the friend together with the player who hit it. In these and other stories now in paperback Weintraub infuses baseball with humanity, originality, humor, and compassion and raises the game to a new level of understanding and love.

Painting the Corners Again Bob Weintraub, 2018-03-27 *Painting the Corners Again* is Bob Weintraub's second marvelous collection of baseball stories. It goes directly to the core of what America's pastime does for us when we watch it being played on the field. Weintraub shows us that baseball has its heroes and its villains and that they can reach into a person's life and remain a part of us for the rest of our days. Told from varying perspectives, *Painting the Corners Again* offers the personal experiences of the baseball player, manager, general manager, coach, scout, owner, writer, broadcaster, and fan. Each story strives for its own sense of authenticity and is full of characters that we recognize and want to spend time with. In this collection the author digs beyond the statistics and numbers that sometimes dominate our view of a sport and gets to the true humanity of baseball.

Painting the Corners Bob Weintraub, 2012 *Painting the Corners* Bob Weintraub, 2014-11-18 Imaginative baseball stories for long rain delays and hot stove league nights. Darryl Brock, author of *If I Never Get Back* and *Two in the Field*. Bob Weintraub's marvelous collection of baseball stories goes directly to the core of what the game does for us when we watch it being played on the field and shows how its heroes and villains can reach into our lives and remain a part of us for the rest of our days. The stories are told from various perspectives including those of the player, manager, general manager, coach, scout, owner, writer, broadcaster, and fan.
