

TWO PASSAGES PAIRED TOGETHER

Sharks

You may have heard of the Great White shark. Did you know that there are really over 400 kinds of sharks?

Sharks have been around for a very long time. Sharks were even here before there were dinosaurs!

Sharks do not have any bones. Their skeleton is made of something different. It is made of the same thing we have inside the tips of our noses and ears! This helps the sharks swim a little bit better.

The shark's jaw is very strong. This helps them eat. Sharks have more than one row of teeth. Sometimes a tooth will fall out. Don't worry! Another tooth is ready to take its spot. A new tooth just spins forward. Many sharks eat fish and other small ocean animals. Some sharks do eat bigger animals. Some sharks can eat seals.

You might be afraid of the sharks in the ocean. It is okay. Only a few kinds of sharks are known to attack people.

You can still swim in the ocean! Be smart. Do not swim near a pier. Swim with a group of people. Don't go bleeding. Stay safe!

NONFICTION

bury along the left side.

The Great White

Swimming in the ocean,
Looking for a treat.
Its big jaws and teeth
Are hunting for some meat.
Lurking in the water,
Seeking its next meal.
When above it spies,
A tasty little seal.
Waiting below its prey,
It makes a great, big sprint.
Jumping with a huge leap,
Happy and full.
Now it can wait,
For several days
Before its next lunch date.

POEM

Directions: Cut out the poem along the dashed line.

Bilingual Writers and Corpus Analysis David M. Palfreyman, Nizar Habash, 2022-12-23 This innovative volume is one of the first to represent the usage of bilingual writers in both their languages offering insight into language corpora as extremely valuable tools in contemporary applied linguistics research and in turn into how much of the world's population operate daily This book discusses one of the first examples of a bilingual writer corpus the Zayed Arabic English Bilingual Undergraduate Corpus ZAEBUC which includes writing by hundreds of students in two languages with additional information about the writers and the texts The result is a rich resource for research in multilingual use and learning of language The book takes the reader through the design and use of such a corpus and illustrates the potential of this type of corpus with detailed studies that show how assessment vocabulary and discourse work across two very different languages This volume will be of interest to scholars policymakers and educators in bilingualism plurilingualism language education corpus design and natural language processing

Handbook of Research on Teaching Diverse Youth Literature to Pre-Service Professionals Hartsfield, Danielle E., 2021-06-25 Perspectives and identity are typically reinforced at a young age giving teachers the responsibility of selecting reading material that could potentially change how the child sees the world This is the importance of sharing diverse literature with today's children and young adults which introduces them to texts that deal with religion gender identities racial identities socioeconomic conditions etc Teachers and librarians play significant roles in placing diverse books in the hands of young readers However to achieve the goal of increasing young people's access to diverse books educators and librarians must receive quality instruction on this topic within their university preparation programs The Handbook of Research on Teaching Diverse Youth Literature to Pre-Service Professionals is a comprehensive reference source that curates promising practices that teachers and librarians are currently applying to prepare aspiring teachers and librarians for sharing and teaching diverse youth literature Given the importance of sharing diverse books with today's young people university educators must be aware of engaging and effective methods for teaching diverse literature to pre-service teachers and librarians Covering topics such as syllabus development diversity social justice and activity planning this text is essential for university level teacher educators library educators who prepare pre-service teachers and librarians university educators faculty adjunct instructors researchers and students

Supporting Students With Literacy Difficulties: A Responsive Approach Glynn, Ted, Wearmouth, Janice, Berryman, Mere, 2005-11-01 Arguably the most common sense and certainly the most informative contemporary text on literacy Glynn Wearmouth and Berryman bring a wealth of experience to the field of literacy culture and family school collaboration We are indebted to the authors for putting together such an informative and groundbreaking text that has overarching relevance in today's multicultural society Dr Gavin Reid University of Edinburgh UK A much needed text to counter the overly psychological approach to teaching literacy It emphasizes a socio-cultural approach which puts the focus on the interactive responsive and social elements of the child

learning to read in relation to the world around them Wally Penetito Victoria University New Zealand In many countries school populations are becoming increasingly socially and culturally diverse and delivering effective literacy programmes is becoming more challenging and complex This book shows schools how to address difficulties with literacy learning experienced by students of diverse backgrounds by employing strategies that respond to and affirm difference This responsive approach actively engages with students prior knowledge and experiences and ensures that these are fully validated in the literacy activities of the classroom The responsive approach includes members of students homes and communities collaborating to facilitate their participation in defining and delivering literacy programmes This book illustrates ways in which teachers and other adults can create responsive social contexts at school and at home to enable all children to participate fully in reading writing and oral language activities in the classroom It offers effective strategies for overcoming barriers to literacy learning including Reading tutoring that promotes comprehension and independence Writing partnerships that respond to children s messages Responsive feedback strategies Interactive contexts that promote student responsibility for learning Community and school collaboration to develop authentic learning tasks Supporting Students with Literacy Difficulties A Responsive Approach is key reading for teacher education students practising teachers and parents

Classroom Talk in Practice Teachers' Experiences of Oracy in Action Rupert Knight, 2022-11-24

This thought provoking and highly informative book is a perfect handbook for teachers and school leaders interested in improving the quality of talk in their classrooms Amy Gaunt and Alice Stott Directors at Voice 21 and authors of *Transform Teaching and Learning through Talk the Oracy Imperative* For practising teachers it offers a guide to how to exercise sound professional judgement in selecting and sustaining strategies that place talk at the centre of teaching and learning so that all students benefit Alan Howe Education Consultant and Associate with Oracy Cambridge Purposeful classroom talk or oracy is increasingly recognised as fundamental for supporting both personal and academic development and for enhancing genuine participation in learning Based on classroom observations and interviews this book offers an analysis of schools responses to improving the quality of both learning to talk and talking to learn The book explores classroom talk through the analysis and comparison of examples drawn from diverse schools and age groups across primary and secondary education settings Alongside a wealth of practical strategies the book offers an insight into the realities of implementation helping teachers to make well informed judgments about developing classroom talk within their own schools This book features Examples of lesson activities and resources accompanied by explanations and advice from practitioners Vivid depictions of real classroom practice with comprehensive analysis linked to up to date research and theory Questions and prompts to promote reflection

on the reader's own context. An emphasis on teachers' professional judgement and informed implementation of oracy practices. A holistic and accessible resource. This book is aimed at experienced early career and student teachers as well as other education professionals. Rupert Knight was a teacher in schools in London and Nottingham. He currently works at the University of Nottingham, UK, on teacher education and other postgraduate courses. Rupert is the author of *Classroom Talk* and he continues to work closely with teachers to develop the use of spoken language in the classroom. **Mastering**

WordPerfect 5.1 Alan Simpson, 1990 **SAT Total Prep 2022** Kaplan Test Prep, 2021-06. Rated Best of the Best in SAT Prep Books by BestReviews August 2020. SAT Total Prep 2022 Kaplan's biggest SAT prep book has more than 1,000 pages of content review, efficient strategies, and realistic practice to help you score higher.
