strange destination Humans get transformed into fantastic characters but instead of enjoying Magic the deeply seated vices burst forward What's more important building a brand new society free from the errors of past or taking vengeance for many years of mistreatment by classmates Someone chooses the later and manipulates all of the new arrivals into living in constant fear and loathing while the former victim of peer abuse now pulls the strings The Hero manages to take over the morally crippled Camp but only by limiting their freedom of choice It seem to be working neighboring Worlds aren't sending the new

Monsters YET The Overseer World seems impressed but they ll want to stir things up eventually Things being calm and pleasant are boring for the Spectators They demand Action and Monster Scenes and Mysterious events and possibly Love and maybe Betrayal The hero read that infinite rule even by the well intended leaders doesn t end well He knows he s doing a great job and people are happily working together but he fears that Strong Leaders have turned into Tyrants Where is the Balance between being Caring and Restrictive Does a System based on the large number of participants preventing Tyranny After all history knows of large groups of the Elite being horrible to the Commoners Getting some Allies would be nice but how do you insure them staying loyal Hero needs to think fast and always be right while getting ready defend the Camp from the imminent Monster Attacks
