intervened to save her only to drag her into yet another pit from which she is now unable to escape since she had to defend someone until her due was paid She was determined to do her final task to finally be free and she knew it in every fiber of her being However her world fell apart the instant she lay eyes on the strongest man in the werewolf community a pureblood lycanthrope causing her legs to flee to safety Dimitri the Alpha King the name itself was enough to bring fear to anyone He was the highest and strongest person in the Werewolf community the leader of all alphas He was a living beast and also known for keeping mistresses Weak werewolves are what he despises the most and finding that his mate was one leads him to give his destined mate a title of a mistress instead of a Luna She was weak He was strong She is strong willed to escape He is adamant to keep her She wanted to be loved He doesn't believe in love Everyone wanted her Everyone fears him She belongs to him but he doesn't belong to her

Mason's Mission Julie K. Cohen, 2020-07-20 Love or Freedom Choose Takara can't stand life in her pack but no other pack will accept her not unless she rescinds her loyalty oath to her alpha Drake He's not an alpha she can approach with such a request not if she wants to live Wolves in his pack a pack known as the White Wolves do what he says without question without fail There is one loophole that would enable Takara to escape She could blood bond a shifter from another pack Escape is not a reason to mate another however even if that shifter is Mason a guard who adores her a shifter who would fight for her if she'd let him When Drake sends her on a dangerous assignment in the human world Mason finds Takara in the most compromising of positions He thinks love is enough to free her from this life from her alpha He's wrong Mason doesn't give up on her even though she's a danger to him and everyone around her The love of her life has taught her a lot but in the end this is Takara's fight Mason will just have to accept that they are not meant to be together Takara hopes he'll prove her wrong Fight Hard Love Harder Mason's Mission is a steamy wolf shifter romance where appearances are deceiving and love truly conquers all Recommended Reading Order I wasn't sure where to place Mason's Mission in the book order for the series Mason's Mission can be read after Frank's Felon but it technically occurs 5 years before Frank's Felon I believe it's best to start the series with Damien's Dilemma That said one reading order could be Damien's Dilemma Blade's Battle Callen's Captive Hayden's Haven Mason's Mission this is a jump back 5 years Frank's Felon
