**A Casebook of Inclusive Pedagogical Practices for Second Language Teacher Education** Amy B. Gooden, 2021-02-05 This casebook is designed to broaden L2 teacher knowledge thinking and practice with regard to making language and learning accessible to all students Language teachers are especially accountable for promoting socially just inclusive decolonizing and multicultural pedagogical practices and curricula at this critical juncture in history this book is intended to raise language teachers awareness of the importance of critically examining and reflecting on the intersectionality of language education and inclusive pedagogical practices Language teacher educators can use this text in their courses and workshops to build on and extend theoretical foundations while making critical practical connections The 12 cases presented here cover a range of inclusive language teaching and learning issues that practitioners are likely to face in their respective teaching contexts All the cases are based on real life dilemmas faced by practitioners in the field and have been informed by discussions with pre service and in service student teachers The cases represent a range of classroom

contexts K 12 ESL sheltered English immersion world foreign language and post secondary EAP private charter and public schools and urban and suburban settings The cases are accompanied by pre and post problem sets and in class discussion questions This volume applies the case based pedagogy often used in some fields to that of second language teacher education to encourage pre and in service teachers to grapple with the types of dilemmas and decisions teachers confront every day The cases here are not intended as exemplars of practice to be emulated or illustrations of existing theories instead they are problem based narratives that resist clear cut answers or solutions and remain open ended to stimulate further investigation and reflection The goal is to mimic the complexity of the classroom where teachers confront a range of pedagogical and learning challenges and the ensuing experience requires critical real time decisions that demand keen professional discernment

The Journey of an Immigrant Khetam Dahi,2012 Khetam Dahi captures the often ignored voices and painful experiences of Syrian migrant children and families In a simple yet honest and powerful prose Dahi through the eyes a child turning adolescent narrates the everyday existence of immigrant and working class families Although the family faced extreme hardships and poverty their love for each other and determination to succeed served as a catalyst to infuse them with optimism and a love for life Her inspirational journey of breaking through despite all obstacles certainly lets readers vicariously experience her joy and sorrow regrets and hopes Dahi s artfully weaved narratives provide young adult learners an opportunity to become personally enmeshed in her stories but most importantly it creates a space where students can feel free to relate relive and learn The simple language makes this book an excellent choice for reluctant readers and ESL students especially because the author includes many exercises to give students the opportunity to share their own experiences and identify with the characters in her stories
