## Travailleuses Du Sexe:

*Itinéraires de travailleuses du sexe* Muriel Douru, Ovidie, 2019-09-07 Une captivante série de portraits pour raconter le quotidien des travailleuses du sexe En coédition avec Mécénats du monde **TDS**, 2022-03-03 **Sex Work** Colette Parent, Chris Bruckert, Patrice Corriveau, Maria Nengeh Mensah, Louise Toupin, 2013-09-18 In the early twentieth century abolitionists sought to stamp out sex work by penalizing all involved In the generation that followed neo abolitionists looked at the sex industry from a feminist perspective claiming that workers were victims caught in a patriarchal matrix Yet both agreed that sex work was a destructive and corrupting force that should be eliminated In this lucid and fearless volume five academics and activists convey their vision of prostitution as work albeit stigmatized and marginalized labour In chapters that consider the nature of sex work the legal framework that seeks to control the sex industry the historical debates over its existence the spectre of human trafficking and community based activism from within the industry the authors assert the central place of sex workers in discussions about their lives and work This book opposes discourses that position sex workers as victims without agency *Mais oui c'est un travail !* Colette Parent, Chris Bruckert, 2011-07-11 T00:00:00-04:00 La question du travail du sexe fait toujours aujourd'hui l'objet de polémiques où le moralisme et les bons sentiments priment sur la discussion ouverte La traite des femmes pour fins de prostitution et leur vulnérabilité physique face la violence et l'homicide débouchent souvent sur des demandes de répression accrue et ce sont les travailleuses du sexe qui font les frais de ces discours prohibitionnistes et moralisateurs Soucieux de véhiculer auprès d'un large public une vision différente de la prostitution dans le respect des travailleuses du sexe et de remettre en question les bases du message néo abolitionniste qui présente ces dernières essentiellement comme des victimes de souteneurs ou de leur fausse conscience cinq spécialistes ont entrepris la rédaction collective d'un livre pour démythifier plusieurs préjugés liés au travail du sexe Sont abordés dans ce livre original les fondements du débat actuel de la prostitution comme travail les différentes réponses des régimes juridiques la variété de pratiques et d'expertises mises en œuvre par les femmes elles-mêmes incluant celles des migrantes illégales et l'action collective des regroupements qui luttent pour une reconnaissance du travail du sexe Mais oui c'est un travail invite donc à construire certains mythes et stéréotypes et tayer la preuve l'effet qu'il est non seulement possible de défendre la légitimité du travail du sexe tout en luttant contre la violence mais que cela est nécessaire **Organizing for Sex Workers' Rights in Montréal** Francine Tremblay, 2020-02-13 This book is based on a case study about Stella l'amie de Maimie a Montréal sex workers rights organization founded by and for sex workers It explores how a group of ostracized female identified sex workers transformed themselves into a collective to promote the health and well being of women working in the sex industry Weighed down by the old and tenacious whore symbol the sex workers at Stella had to find a way to navigate the criminality of sex work and sex workers in order to do advocacy and support work and create safer spaces for sex workers to engage in such advocacy This book focuses on sex workers but the advocacy challenges and strategies it outlines can also apply to the

lives of other marginalized groups who are often ignored pitied or reviled but who are seldom seen as fully human

**Selling Sex** Emily van der Meulen, Elya M. Durisin, Victoria Love, 2013-03-15 Despite being dubbed the world's oldest profession prostitution has rarely been viewed as a legitimate form of labour. Instead it is often criminalized, sensationalized and polemicized across the socio-political spectrum by everyone from politicians to journalists to women's groups. In *Selling Sex* Emily van der Meulen, Elya M. Durisin and Victoria Love present a more nuanced, balanced and realistic view of the sex industry. They bring together a vast collection of voices including researchers, feminists, academics and advocates as well as sex workers of differing ages, genders and sectors to engage in a dialogue that challenges the dominant narratives surrounding the sex industry and advances the idea that sex work is in fact work. Presenting a variety of opinions and perspectives on such diverse topics as social stigma, police violence, labour organizing, anti-prostitution feminism, human trafficking and harm reduction *Selling Sex* is an eye-opening, challenging and necessary book. *Cahiers de la Femme*, 2002

**Street Sex Work and Canadian Cities** Shawna Ferris, 2015-03-02 Our voices scrubbed out and forgotten. There are those who research and write about sex workers who often forget we are human. Amy Lebovitch. Shawna Ferris gives a voice to sex workers who are often pushed to the background even by those who fight for them. In the name of urban safety and orderliness, street sex workers face stigma, racism and ignorance. Their human rights are ignored and some even lose their lives. Ferris aims to reveal the cultural dimensions of this discrimination through literary and art critical theory, legal and sociological research and activist intervention. Canadian cities are striving for high safety ratings by eliminating crime, which includes cleaning urban areas of the street sex industry. Ironically, sex workers also want to live and work in a safe environment. Ferris questions these sanitizing political agendas, reviews exclusionary legislative and police initiatives and examines media representations of sex workers. This book has much to offer to educators and activists, sex workers and anti-violence organizations and academics studying women, cultural gender or indigenous issues. Foreword by Amy Lebovitch.

*Le témoignage sexuel et intime, un levier de changement social?* Maria Nengeh Mensah, 2019-10-11 T00:00:00-04:00 On assiste aujourd'hui à une prolifération dans l'espace public de récits personnels portant sur la sexualité, l'intimité et l'inclusion sociale. Leurs thèmes sont tabous et les sujets parlants sont couverts d'opprobre. Le présent collectif rassemble des textes mobilisant des savoirs scientifiques et des expériences du terrain. Problèmes Sociaux Tome IV Henri Dorvil, 2007 Le monde entier est perclus d'injustices sociales criantes. Nécessité donc d'intervention sociale collective de mouvements sociaux, de revendications de zones de conflit entre le monde communautaire et l'état. Prévention de conditions de risque, alphabétisation, rationalités divergentes, féminisme, travail social international. Accommodements raisonnables, fracture numérique, investigation scientifique chez les travailleuses du sexe. Tel est le menu que propose la collection *Problèmes sociaux* et interventions sociales dans ce tome IV de *Problèmes sociaux*. *Sex Worker Unionization* G. Gall, 2016-04-08 Sex Worker Unionisation examines the challenges and opportunities offered by unionisation for Sex Workers. Exploring unionisation projects.

undertaken by Sex Workers in most major economies this ground breaking study shows how sex workers have collectively sought to control and organise their work and working lives by co determining the wage effort with their de facto employers It highlights the range of significant obstacles that have impeded their progress including owner hostility state regulation and the sway of radical feminism that is present in many unions Outlining a more efficacious model for sex worker unionisation based upon combining occupation unionism and social movement unionism this pioneering and controversial new book offers an important study of business organization in a unique industry

**Negotiating Sex Work** Carisa R. Showden, Samantha Majic, 2014-04-01 Globally discussions about sex work focus on exploitation The media regularly provides us with stories about teen girls coerced to perform sexual acts for money frequently beaten and robbed by their pimps or traffickers While one would have to be hard pressed to deny that sex workers are victimized the popular media and our political leaders emphasize sex work as exclusively exploitative In Negotiating Sex Work Carisa R Showden and Samantha Majic present a series of essays that depict sex work as an issue far more complex than generally perceived Positions on sex work are primarily divided between those who consider that selling sexual acts is legitimate work and those who consider it a form of exploitation Organized into three parts Negotiating Sex Work rejects this either or framework and offers instead diverse and compelling contributions that aim to reframe these viewpoints Part I addresses how knowledge about sex work and sex workers is generated The next section explores how nations and political actors who claim to protect individuals in sex work often further marginalize them Finally part III examines sex workers own political organizational efforts to combat laws and policies that deem them deviant sinful or total victims A timely and necessary intervention into sex work debates this volume challenges how policy makers and the broader public regard sex workers capacity to advocate for their own interests Contributors Cheryl Auger Sarah Beer Dawson College Montreal Michele Tracy Berger U of North Carolina Chapel Hill Thaddeus Gregory Blanchette Federal U of Rio de Janeiro Raven Bowen Gregg Bucken Knapp U of Gothenburg Sweden Ana Paula da Silva Federal U of Vi osa Valerie Feldman Gregor Gall U of Bradford Kathleen Guidroz Georgetown U Annie Hill U of Minnesota Johan Karlsson Schaffer U of Oslo Edith Kinney Mills College Yasmin Lalani Pia Levin Alexandra Lutnick Tamara O Doherty U of the Fraser Valley British Columbia Joyce Outshoorn U of Leiden Francine Tremblay Concordia U Montreal
